

On This Side Of The Sun

By Phat

They call this the Age of Progress but no man has yet progressed enough to invent a simple way to change a typewriter ribbon. I just changed one and everything in sight is smeared with ink and my good Lenox resolutions on strong language have been shattered beyond repair.

THE VILLAGE—Remember two years ago when everyone was afraid the impression had gone out that the "army" had taken over Palm Springs and people would be chary about coming here? Have you tried to find a place to park lately? . . . Seems the visiting sailors get tired of holding out a thumb when they want to go home. Chief Lyle Sanard this week requested Village motorists not to leave the keys in their cars. He said an average of three cars per week are being reported stolen—and all recovered soon near Banning, 29 Palms and Thermal.

THIS AND THAT—Mrs. G. carries her red tokens in a used aspirin box. Says it's so appropriate. . . I have a birthday this month. Mrs. G., who did a little light reading on astrology, points out that I was born under the sign of Aries, the Ram. She added, needlessly I thought, that I just escaped being born under the sign of Capricorn, the Goat, and that if my birthday had been four days later, I would have been born under the sign of Taurus, the Bull. Which happening might have proved that there is something to the influence of the stars, after all.

MUSIC—I'm about to abandon prognosticating Hit Tunes. After two years of successful effort, have drawn blanks for the past month. On the other hand, the rival in the house has one of her tunes in first place and another, in second. Discounting "Don't Fence Me In" which seems to have been everyone's choice, the nearest I am is fourth place. . . "Rum and—" you know what, has been making rapid progress toward the top and may get there—long after it came out. . . With lots of families separated, songs that have to do with loneliness seem extra popular. So I'll stick my neck out again and say that "A Little on the Lonely Side" and "Saturday Night is the Loneliest Night of the Week" should take the same course as "I Walk Alone" and hit the top.

ODDS AND ENDS—One side, Winchell, here I come: Health Officer Dr. O. B. McRory is not only inspecting but also expecting these days. . . Speaking of Winchell, he recently wrote that in a ring, Paul Lukas, frequent and popular Village visitor, gave his wife on their 16th wedding anniversary, is inscribed: "For service far beyond the line of duty." . . . What was that white stuff on the lawn Thursday morning? Asked Walter Kofeldt of the Chamber of Commerce whether it could have been frost and he faints.

FAN MAIL—"Where in (deleted) have you been lately?" queries a postcarder. "You say the cigarette shortage seems to be over. My cigarettes taste different lately because I have to take what I can get when I can get it. Or did you give up smoking during Lent?" "Quit running those boost stories about Palm Springs," writes another. "The town is full enough." . . . On the other hand, Guy Price, late of the Hearst organization, writes in to say that "the Sun circulation certainly covers the Village. I have had all sorts of favorable comment as result of your interview with me on the future of Palm Springs." . . . You see, I mention the names of people who write nice things.

THE SPOTS—New entertainment is in store for Villagers this weekend. At the Rendezvous Wes Vaughn and Judy Whitney ended their engagement to take a rest, and Winnie Scott, hot from the Sunset Strip, opens tonight. . . Joe Marino leaves the Dunes tomorrow night to go into the army and Manager Ruby was in town this week booking another excellent entertainer. . . The Anita Ames trio opened up at the Lido this week and made an instant hit. . . At the Rainbow room, Bob Hull, like ole man river, goes rolling along, serving the latest as well as the good old timers. . . And at the Latin Quarter, Adrian Ruiz and his orchestra go on delighting dancers. They put two hours off the end of their show because of the curfew but start earlier now.

AND FINALLY—Fred Fulton chides me for dressing up as if going to a directors meeting. What he doesn't know is that the suit I was wearing has been snatched from the brink of rummage sales three times.

Death of Heiress on Mountain "Accident"

Find Body of Woman in Crevice

Clothing Scattered Over Wide Area On Mountain Side

Death of Marian Nadine Flint, 29, Oakland heiress and socialite on the slope of Mt. San Jacinto back of the Village some time Saturday night was signed out by Coroner Ben White of Riverside county as "accidental" after a three-day investigation. No formal inquest was held.

The nude body of Miss Flint was found early Sunday morning by Pfc. Robert J. Clark of the army air base here about half past seven, Sunday morning, after an all-night search by soldiers of the 1270th Guard at the air base, policemen, Boy Scouts, and Indians from the reservation.

GONE ALL DAY

Miss Flint left her rooms here, where she was staying, with a friend, Mrs. Jean Bainbridge of Piedmont, early Saturday morning and a short time later appeared at the police station where she requested use of a police car to take her on an errand. When it was explained this was impossible, she left.

That evening, Mrs. Bainbridge reported her missing and a search already started, was intensified.

CRIES HEARD

At approximately 11 p. m., Mrs. S. E. Linn, who lives in the vicinity of the base of the mountains where Miss Flint's body was found, reported that she heard screams from a woman on the mountainside. At 11:15 p. m., Chief Lyle J. Sanard, in charge of the search, also heard cries from the mountain side and the search converged on the source but it was not until morning that the body was found.

The woman's clothing was found scattered over a wide area estimated at about 25 acres with long distances between the separate pieces. Her glasses were found but a valuable diamond ring she was reported to have been wearing had not been found up to yesterday.

DEPRESSED, NERVOUS

Coroner White and Deputy Coroner Seymour Cash who spent the fore part of the week in investigating, said Miss Flint had been depressed and gloomy for the past few days and she seemed worn out and nervous. She had been caring for an invalid aunt in Oakland, Mrs. Anne Murphy.

With Mrs. Bainbridge, she came to Palm Springs February 14. Chief Sanard said the search for Miss Flint began before her disappearance was reported. He said her request for use of a police car had seemed strange and the hunt began in the afternoon.

In the searching party were Chief Sanard, Sgt. O. O. Johnson, (Please Turn to Page 8)

Ernest Grill Out Of Hospital Again

"It's a gross exaggeration. That's what it is." So said Ernest Grill, local realtor, when he returned to town yesterday after a week at a Pasadena hospital recuperating from injuries received when his automobile and a station wagon driven by Don Cameron, collided near Cathedral City.

Grill was referring to reports that he had suffered fractured legs in the crash. "But the hospital was a swell place and they sure patched me up in a hurry. Worst echo of the wreck is this shiner of mine," he added.

Old Home Town Will Be Topic Of Get-Together

Citizens of Palm Springs and those from distant cities and states wintering here are looking forward with warm anticipation to March 16, "get-together-day". On this day, according to plans, these people will step forward and meet some home-sick soldier thousands of miles from home, who may have lived "just around the corner" back in Pennsylvania, Illinois, or New York.

Many of the soldiers stationed with the 21st Ferrying Group, Army Air Base here, have not been home for a long time. The sight of someone, hailing from their home town or state will alleviate some of the home-sickness soldiers the world over suffer. Nostalgia, the hunger for the sight of someone from a GI's home state or town, or even to talk to a civilian, strangers though they may be, is considered by those who deal with a soldier's morale, the best form of therapy and cheer.

E. E. Hoppe Passes After Long Illness

E. E. Hoppe, well known Village nursery man, succumbed at Claremont Monday evening, after a long illness and last rites were said for him yesterday at Blackman's chapel in Pomona, with several Villagers in attendance.

Mr. Hoppe had been at the home of his sister, Mrs. T. J. Lowry in Claremont for the past few weeks, waging a losing battle for health.

Mr. Hoppe was 42 years of age. A native of Cambridge, Neb., he came to California in 1923 and to Palm Springs in 1930, founding Hoppe's Nursery.

He landscaped many of the show-places of Palm Springs, including the El Mirador, now Torney General Hospital.

He was a lover of the desert and did much research work among its flowers and developed many of them for Village gardens.

His wife, Mrs. Ruby J. Hoppe and son, William Henry, and two brothers and a sister survive him. Mrs. Hoppe will return to the Village soon to continue the operation of the Hoppe Nursery at 1181 North Palm Canyon drive.

Pall bearers at the rites yesterday were John DeVine, Ferdinand Coble, Dad O'Connor, Don Hall and his two brothers.

Philip L. Boyd Goes North for State Sessions

Assemblyman Philip L. Boyd, representative of this district in the state lower house, leaves this weekend for Sacramento to be present at the opening of the second half of the legislative session Monday.

Between the two sessions, Assemblyman Boyd has been busy visiting all parts of his district to get his constituents views on measures before the legislature.

During the first half of the session he introduced 13 bills, principal ones being the Mt. San Jacinto Tramway measure and the county flood control bill which he expects to revamp during the coming session.

Lurton D. Morris Faces Manslaughter Charge Investigation

Lurton D. Morris, 42, was held in county jail yesterday on a charge of manslaughter as result of the accident last Saturday night in which his wife, Katherine, 31, was killed. The accident occurred approximately two and one half miles north of Palm Springs on a flat curve.

The automobile, which Morris was driving, went out of control and overturned, snapping off a telephone pole in its progress.

HEARING DATE SET

Morris appeared before Judge R. A. Moore in Riverside yesterday and his preliminary hearing was set for March 22 at 2 p. m.

Highway Patrol Officer Gene Henderson signed the complaint. Chief Deputy Harry M. Dougherty represented the district attorney's office.

RETURN OPEN VERDICT

The jury which Tuesday heard evidence at an inquest held at Wiefels and Sons mortuary in Banning, returned an open verdict finding that Mrs. Morris came to her death as result of a broken neck.

Morris testified that he had become confused when he thought he saw a car approaching him without lights and lost control of his machine.

TAKEN TO HOSPITAL

Mrs. Morris died in an ambulance en route to medical aid in the Village. Morris was also injured and taken to the county hospital. He was later transferred to county jail pending investigation by county officials.

Plans for Rodeo Being Drawn Up

Plans for the Palm Springs Rodeo, March 24 and 25, were being drawn today and a full program of events will be outlined next week.

The rodeo is sponsored by the Los Compadres club and by the Owen B. Coffman Post of the American Legion.

The week preceding will be Old West week in Palm Springs with Western attire which makes Palm Springs different, prevailing.

Support of All Village Sought by Red Cross as Task Ahead is Great

BY ETHEL GILLET WHITEHORN

Chairman Public Information, American Red Cross, Palm Springs Unit.

It was Theodore Roosevelt who said . . . "The old days were great because the men and women who lived in them had mighty qualities."

Today, as in the old days, there are men and women of these United States of America, who have mighty qualities. They are the ones who are helping our fighting men to see the blue skies beyond the broad horizon now blackened by the smoke of battle. They are members of the American Red Cross. Standing firmly beside this mighty and benevolent organization are those thousands of American citizens who, too, have mighty qualities. They are the soldiers of the home front—the fathers and mothers, the sisters and brothers, the wives and sweethearts, all wanting to help raise the funds which will

Helicopter Air Line to Peaks Planned Here

Gene Nifford (Orange Julius) this week announced that plans for a Helicopter air line from Palm Springs to the Mt. San Jacinto region and other selected spots was in the process of formation and that a cooperative corporation including many citizens of the Village was proposed.

Mr. Nifford was in Los Angeles this week and authorized Jerry Geisler, his attorney, to apply for a license from the proper authorities in Washington, D. C., for an aviation license and also to take steps to obtain rights for a landing strip in the mountain area.

The company, he said, will be known as "Nifford's Helicopter Service company" and he plans to hold a meeting in the near future to further outline his plans.

Blue Network to Broadcast Dawn Services

Palm Springs will go on the air Easter morning when NBC's Blue network will broadcast the Sunrise Service over a coast to coast network, Dr. J. R. Macartney, pastor of Community church which is in charge of the service, said today.

Dr. Macartney was in Los Angeles last weekend to contact the National Broadcasting company and make arrangements after an NBC representative had approached him earlier on the matter.

HALF-HOUR PROGRAM

W. R. Esser, NBC announcer, will be in charge of the radio arrangements.

The program which will go out over the air fill be a few seconds under 30 minutes and Mr. Esser and Dr. Macartney will confer soon on the service. The regular Easter morning service will last longer.

Dr. Macartney plans to have his singers and others who will take part in the national broadcast, on the scene at 5 a. m., to prepare for the event.

MUSIC ARRANGED

Tentative program includes a choir of sixty voices, including members of the Desert Singers of Torney General Hospital.

Alexander Hammond, vocal instructor at Palm Springs high school and a well known singer, will be the soloist. Chaplains from both local Army posts will take part as will Bill Hay, well known radio commentator, who has aided in many Easter Sunrise services.

It will be the 30th annual Easter Sunrise service here, some being held even before the Community church was organized.

Trio Faces Charge Of Automobile Theft

Raymond Diekmann, Mylo Phillips and Althea Phillips, of Long Beach and Cathedral City will appear in court at Riverside March 23, to answer to charges of auto theft. The complaint was signed by CHP Officer George Redwine.

All Groups Busy Today in Campaign

Total in First Report, \$45,708; Goal is \$200,000

The campaign to raise \$200,000 to build and equip a Community Hospital for Palm Springs neared the quarter pole today as various groups and organizations began to turn in reports and many unsolicited pledges and subscriptions came in to headquarters of the campaign in the Desert Inn garage show room.

Reports from various organizations showed \$28,208 pledged and in addition, almost an equal amount, \$27,500, had been pledged at the fund headquarters and not designated to any organization.

WORKERS NEEDED

Chairman Florian Boyd of the Community Hospital association, said that the greatest need at present was for workers to aid Earl J. Smith, in charge of the drive and his staff in getting in the pledges.

"It's everybody's job and we must all work to put the drive over. We've got to have the full amount as our subscriptions are being taken on this basis."

"Of the fund, \$150,000 goes for building and equipment and the balance for maintenance to get the institution started."

COMMANDER—Capt. Dorothy Selby, new commanding officer of the WACs at Torney General Hospital.

Capt. Selby New WAC Commander at Torney General

Captain Dorothy Selby, Women's Army Corps, who recently reported for duty at Torney General Hospital, has been assigned Commanding Officer of the WAC Detachment.

A native of Covington, Kentucky, Captain Selby enlisted in July, 1942, and was a member of the first class to be commissioned. She has been stationed at Daytona Beach, Florida as Battalion Commander at the WAC Training Center; at Boston, Mass. as Company Commander with the AAC of the Eastern Defense Command, as Post Adjutant, and at Camp White, Oregon and the Army Ground and Service Forces Redistribution Center, Santa Barbara from where she was transferred to Torney.

Bill Asbury Will Get Commission as Ensign on March 6

W. F. (Bill) Asbury, son of Mr. and Mrs. J. L. Asbury of South Belardo road, will receive his commission as an ensign in the U. S. Navy at Fort Schuyler, New York, midshipman's school on March 6.

The graduation ceremony will take place at St. John, the Divine, Cathedral in New York City. The graduation event includes a formal ball at the Waldorf Astoria which Life Magazine will cover.

Mrs. Asbury started to New York for the event but turned back at Yuma because of illness.

Bill Asbury spent ten days here prior to his appointment to the Boudier, Colo., school of Oriental languages by the navy. His older brother, Capt. L. L. Asbury, Jr., is in the army air corps and in France at present.

BOB HOPE SHOW AIRED FROM AUDITORIUM

The coast-to-coast network broadcast of the number one show on radio, the Bob Hope Pepsodent Show, was aired from the auditorium here at Torney General Hospital Tuesday evening.

The show named by radio editors, critics and columnists the past four years as the outstanding broadcast on the air emanated from the stage of the Post Theatre.

As an added attraction, Hope had as his guest star "The Voice" himself, Frank Sinatra. The entire cast of the show was present, including Frances Langford, Jerry Colonna, Vera Vague and Skinnie Ennis and his band.

Hope entertained the patients in an extra show at the end of the broadcast.

TENNIS CHAMPS TO VIE

Torney General Hospital is one of the several Palm Springs locations for the forthcoming annual Palm Springs Tennis Tournament. This outstanding sports event, to be held this weekend, March 3 and 4, will attract some of the country's finest present day net satellites.

Play at the hospital courts will begin at 9 a. m. next Saturday and continue through 4 p. m. Sunday. Patients and duty personnel of the hospital will be admitted to the tennis matches free of charge.

Some of the tennis greats who will probably participate in the meet are Pauline Betts, women's singles champion of the United States, Mrs. Palfrey Cooke, 1941 champ and winner over Miss Betts at La Jolla, Margaret Osborne, 1944 Ladies' doubles and mixed doubles champion, Louise Brough, 1944 women's doubles champion of the United States and Champion of California, Mary Arnold, 5th ranking women's singles player of the United States, and Magazine Cover Girl and movie star, Jinx Falkenberg.

Some of the outstanding male players to participate will be Sgt. Frank Parker, singles champion of the United States, Air Cadet Bob Falkenberg, men's doubles champion of the United States, Air Cadet John F. Shea, junior doubles champion of the United States, Seaman Jack Tuero, tenth ranking singles player of the United States, and many others.

Village Resident Given Additional Honors in India

Lt. Col. Claron U. Pratt, pilot of 206 Morongo road, has been awarded an Oak Leaf Cluster to his air medal, Brig. Gen. William H. Tunner, commanding general of the India-China division of the Air Transport Command, announced this week.

The award was made upon completion of 250 hours of operational flight in transport aircraft over the dangerous and difficult India-China air routes, where enemy interception and attack was probable and expected.

The aid trail over the Hump, famed route through the towering peaks of the Himalaya Mountains, blazed by the Air Transport Command, is recognized by airmen as the world's toughest. Today the Hump route is the only lifeline of vital military supplies for the Allied forces fighting the Japanese in China.

The citation accompanying the award adds:

"Flying at night as well as by day, at high altitudes over impassable, mountainous terrain through areas characterized by extremely treacherous weather conditions necessitating long periods of operation on instruments . . . requiring courage and superior performance of his duties to overcome, he accomplished his mission with distinction. . ."

The award was made for the period of service from July 16, 1944 to December 24, 1944.

will be submitted to the Ninth Service Command contest will be chosen by the Board of Judges on March 1 and 2. Contest entries submitted to date are now on display at the Red Cross Recreation Lounge and will be displayed until next Thursday.

Last year the NSC ran its own arts and crafts contest, and so many entries were reported during the closing days of the contest that it was necessary to extend the closing date. The contest entries for the Service Command contest were all displayed at the Eagle Theatre at Fort Douglas, Utah, and at a later date the show toured 23 military installations.

CONTEST ANNOUNCED

Soldier-entertainers in the Ninth Service Command, in groups or as individuals, will vie for honors in a command-wide musical contest, Col. W. M. Beveridge, NSC Special Services director, has stated.

Individual soloists and ensembles most practical for entertaining troops in the field will be entered in one of the following five groups: harmonica, guitar, accordion, hillbilly or novelty bands, and barber shop quartets.

Entries in district elimination contests must be made by April 1, following post competition. Dates of the command contest to be held here under the sponsorship of Special Services will be announced soon.

CLASS TO GRADUATE

The second class of Nurses Aides to be graduated this winter from Torney General Hospital will be capped in a special program to be held in the Post Chapel on next Friday evening, March 2, at 8:45 o'clock. The Aides have been trained in specially organized classes meeting here each day and have received practical work on the wards.

LOCAL ENTERTAINERS

Entertainers at local Palm Springs restaurants and night clubs were guests at Torney General Hospital last Monday afternoon and entertained the patients in a special program of music in a special program of music in the Red Cross Auditorium. The full auditorium of patients deeply appreciated the fine program.

Among the guests who participated in the program were Judy Whitney and Wes Vaughn from the Rendezvous, Mitz Triola and Tony Branch of the Lido, Leo Rojo from the Colonial House, Connie Barleau, Joe Moreno and Ruby from the Dunes and Dorothy and Arthur Dodds from the Chi-Chi. The program was arranged by Sgt. "Tex" Salkeld.

Sister of Village Woman Liberated From Santa Tomas

A telegram from the war department at Washington, D. C., brought joy this week to Mrs. O. F. Holmes, a winter resident of the Village.

It disclosed that her sister, Ruth Jones, was among those rescued when American soldiers liberated the internees at Santa Tomas concentration camp in Manila.

Her sister had been in the prison camp since the Japanese entered Manila more than two years ago.

Mrs. Holmes was granted the privilege of sending a cablegram to her sister.

Cameron Presents Another Reason Hospital Needed

Don Cameron, veteran of World Wars I and II, employee at Torney General Hospital and manager at Rancho Mirage, was recovering today from injuries received when his station wagon and an automobile driven by Ernest Grill, local realtor, collided during a sandstorm on Highway 111.

Cameron, who was at first reported but slightly injured, suffered deep lacerations and shock which kept him confined to his bed for ten days.

He said his experience was another proof of the dire need for a community hospital here. Leaving the scene of the wreck, he obtained a ride to Palm Springs and went to Torney where, he said, he was unable to enter because of the crowded condition of the army hospital. From here he was given transportation to Indio where he was given treatment at a hospital, several hours after the accident.

"If we had had a hospital here," he said "and prompt treatment had been available, I'd been down but a day or two instead of for more than a week."

Latin Quarter Changes Hours To Meet Curfew

The midnight curfew which went into effect in the nation found all Palm Springs spots in line.

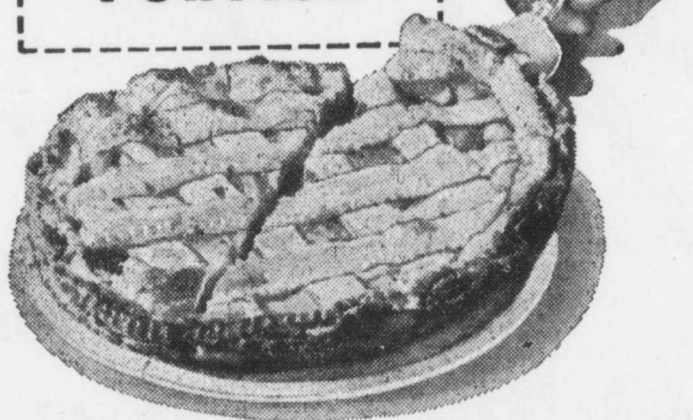

Lounges which had been closing at midnight under state board of equalization regulations for some time, were little affected.

The most drastic change in hours was made at Hugo Cobedo's and Steven Stephens' Latin Quarter which had been operating for dinner and dancing from 8 p. m. to 2 a. m., without a beverage license.

Messrs. Cobedo and Stephens went wholeheartedly with the midnight curfew plan and changed their hours for dancing from 8 p. m. to 2 a. m., to from 7 p. m. to midnight. Throngs of Villagers and winter visitors have been availing themselves of the excellent food and the dance music provided by Adrian Ruiz and his Latin-American orchestra.

Red Cross Food Packages Most Welcome Sight of All at German Prison Camps Says Torney General Hospital Patient

"Never have I known of anything so welcome as the Red Cross Food packages we received weekly during the 13 months I was held in German Prisoner of War Hospital Camps," declared S/Sgt. Russell L. Warwick of Los Angeles, now a patient at Torney General Hospital in speaking recently of this particular Red Cross service to men of the Armed Forces.

S/Sgt. Warwick was shot down while on a mission over German held territory and during his long internment had ample evidence of the vital need for continued distribution of Red Cross food packages, absence of which was tragically demonstrated by the condition of allied prisoners recently released from confinement in the Philippines.

CREDIT RED CROSS

American corned beef, liver paste, chocolate, vitamin tablets and powdered coffee spell the difference between malnutrition and the maintenance of borderline health according to several soldiers who have reached Torney from internment in the Reich, although all declare that the quality of their food was not far below that of the civilian populace.

Battle casualties arriving at Torney also credit their good recovery—sometimes life itself—to blood plasma which they have received either on the field before being removed by medical corpsmen or at clearing stations before transfer to Field or Evacuation hospitals.

BLOOD SAVES LIVES

According to official Red Cross reports five million pints of blood were collected for the Armed Forces last year. Now Medical Departments of Army and Navy declare that with the grimdest fighting just ahead in both European and Pacific battle zones hundreds of thousands of additional pints of plasma and whole blood must go forward in an ever increasing supply if men who are winning the war are to have their chance to live and return home.

At Torney General Hospital, where Miss Lauretta Wilkinson is stationed at Field Director, Red Cross reports for the period from September through February showed that the staff of medical social workers handled a total of 736 incoming and outgoing health and welfare wires, relieving anxiety of men for their families, and that of relatives for seriously ill patients; a total of 1483 letters of similar importance, and 80 loans amounting to \$3291.42. They have filed 230 claims, handled 547 new cases and distributed 2031 comfort articles.

Radio and Film Stars at La Cita

Edgar Bergen, Charley McCarthy's papa, is a guest at the La Cita while taking a rest in Palm Springs. Also at the La Cita are Mr. and Mrs. Ken Murray, enjoying a desert rest.

Loretta Young gave a dinner party for six guests in honor of husband Col. Lewis Sunday.

Among others of the film colony at the Louis Thomson's La Cita were Producer Arch Selwyn and Mr. and Mrs. Victor Sayville. Mr. Sayville is the English director responsible for the Rita Hayworth picture, "Tonight and Every Night" which was shown at The Plaza last week.

professional recreation workers and two hospital workers assisted by 56 registered Gray Ladies—volunteer workers of the Camp and Hospital Corps—show 35 mm films to ambulatory patients and 16 mm films to bed patients on hospital wards; plan and conduct ward parties, game and music hours; distribute reading material and games; conduct a shopping service; wrap and mail packages and perform innumerable other important services for the men.

Gray Ladies alone complete 80 weekly assignments under the supervision of Miss Madeline Hagerty, head of the Recreation Staff. Working under the direction of Miss Reba Brown, hospital librarian they also assist in taking library books and magazines to wards and secure requested reading material from the post library or other sources. They also sew for patients, place and care for flowers on hospital wards, write letters, read, and staff the information desk in the Red Cross Building.

SEE PALM SPRINGS

Off-the-post Red Cross recreation activities which are supervised by Miss Hagerty include Motor Corps Rides each Tuesday and Thursday afternoon in cooperation with the local Red Cross; the Home Hospitality afforded by residents of the community who entertain patients at their homes for luncheon, tea, dinner or parties. This is an activity in which the Red Cross encourages Villagers to cooperate, as men appreciate particularly home invitations which help to reacquaint them with day to day American home life. Said Miss Hagerty recently, "We find that the patient is happier wherever he may be assigned, if accepted by the community. Because then he doesn't feel that he is an 'outsider'."

Display Only One Plate, Reminder To Local Motorists

Gordon H. Garland, director of the state department of motor vehicles issued a notice this week to vehicle owners who have received their new black and white 1945 license plate that they must remove the old plate from the front end of the car.

Those who have not received their new plates should continue to display their old plates, front and rear. Because of material and labor shortage, those who applied by mail after the middle of January, may not receive their new plates before the end of the month. Motorists who have not received their plates were asked to be patient and refrain from writing letters to the department.

Mr. Garland called attention to the vehicle code which prohibits display of registration plates or symbols other than the black and white plate on the rear of the car. When it is received, the old plates should be removed and the 1944 sticker removed from the windshield.

DESERT HOT SPRINGS

Guests noted last weekend at the Desert Hot Springs Plunge were Mr. and Mrs. J. B. Wedell and daughter, Betty Lou and her friend, Miss Jeanette Ingles of Beverly Hills. Mrs. Wedell is the Mrs. Aldridge of the Aldridge family, well known radio and screen feature; Mr. and Mrs. C. W. Swanson, and daughter, Kipp, of Seattle, Wash., the Misses Betty and Gretchen Wright of Palm Springs and Mrs. J. McKee of Los Angeles; Mr. and Mrs. McEhran of Vancouver, Wash.

The Red Cross—Our Responsibility

A sage once said, "For a man to help another is to be a god".

In March, every person in America will be given an opportunity to help another. The 1945 American Red Cross War Fund campaign must raise \$200,000,000 to extend and maintain the world-wide services of this mighty organization.

The Red Cross is no thing apart—it is you and I and everyone in America today. Its very existence depends upon the voluntary contributions of America citizens. Therefore, it is the responsibility of every member of the family to participate in this great drive. When a Red Cross volunteer rings your doorbell, remember she comes as your representative in the American Red Cross. Through her, you and each member of your family will have the opportunity of giving service to your boy in uniform or your neighbor in need.

That the Red Cross program is vital to our best interests cannot be questioned. Our men in service have been aided by the Red Cross on every front. When they are confronted with loneliness and anxiety, they are met by the smiles, the coffee and doughnuts, the recreation clubs and rest centers of the Red Cross. When they are forced down in the jungles of Burma, Red Cross mercy kits are parachuted to them. When a soldier worries about his family, Red Cross Home Service becomes the medium of communication. When he is wounded, Red Cross plasma saves his life and Red Cross hospital workers help in his rehabilitation. The great work of the 35 services of the American Red Cross is unending.

Each of us has an obligation to help our servicemen and their families, now and after the war. One of the best ways we can fulfill our responsibility is through full participation—by every member of our family—in the 1945 Red Cross War Fund drive. Give Now—Give More!

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

One of the interesting spots in the Capitol, and probably the least known, is the "tomb", a space in the sub-basement directly beneath the crypt. Until 1832 it was intended to serve as a tomb for the remains of George and Martha Washington.

Congress had in mind an opening in the floor of the rotunda of the Capitol, through which visitors could look down upon the tomb of Washington, as visitors can look down upon the tomb of Napoleon at the Hotel des Invalides in Paris. A circular opening actually existed in the floor above as late as 1823.

Washington died December 14, 1799, and his will stipulated that he was to be buried at Mt. Vernon. Martha Washington, who died May 22, 1802, was buried there with him. On December 31, 1799, Martha Washington, replying to a resolution of the Congress, granted permission for the body of George Washington to be removed to the Capitol.

The matter appears to have been under discussion by special committees during the 30 years which followed. It came to a head at the time of the Centennial of Washington's birth, February 22, 1832.

A request was then made to John A. Washington of Mt. Vernon, grand nephew of George Washington, and to George Washington Parke Custis, grandson of Martha Washington, for permission to remove the bodies. Custis, on February 15, 1832, gave this permission. John A. Washington on the same day refused his consent, in view of the request of George Washington that he be buried at Mt. Vernon, and on February 20, the General Assembly of Virginia passed a resolution opposing the removal. The plans to bury George and Martha Washington in the Capitol were never carried out.

The space for that purpose is still vacant, except for a catafalque, a simple bier of boards covered with black cloth. It is now covered by a removable glass case to protect it. The tomb was cleaned, painted and provided with improved lighting in 1938. The catafalque was then recovered with new black cloth.

This catafalque is interesting. It is the one used for the body of Abraham Lincoln. A larger base

was subsequently added, and the old base and dais mounted on the new one. Twelve bodies have lain upon it in the past 75 years, eleven of them in the rotunda of the Capitol.

Abraham Lincoln lay in State in the rotunda April 19-21, 1865; Thaddeus Stevens, August 13, 14, 1868; Charles Sumner, March 13, 1874; James A. Garfield, September 2-23, 1881; John A. Logan, December 30, 1886; William McKinley, September 17, 1901; Major Pierre Charles L'Enfant, April 28, 1909 (the planner of the City of Washington died in 1825 and was buried on the Digges farm in Maryland, but was interred in Arlington Cemetery in 1909, at which time his body lay in State in the rotunda); Admiral George Dewey, January 20, 1917; the Unknown Soldier of the World War, November 9-11, 1921; Warren G. Harding, August 8, 1923; and William Howard Taft, March 11, 1930. The catafalque was also used to bear the casket of Salmon P. Chase, Chief Justice of the United States, on May 11, 1873, but the body lay in the Supreme Courtroom which was then in the Capitol.

It is an interesting old place, the Capitol, aside from its significance as the central point of the Government of the United States. It is full of memories, and rich with history, and has in it many interesting and curious spots, like this "tomb".

Worth More Than Gold

The Foreign Policy Association says that coal mining in South Africa is expected to yield more profit than the gold mining which for years has been the Union's basis of prosperity.

War of 1812 Needless

The War of 1812 would never have been fought if the Atlantic cable had been in existence, says the Foreign Policy Association. Britain met America's demands two days before the U. S. declared war, but the news did not reach Washington for weeks afterward.

There is often as much independence is not being led, as in not being driven.

KEEP CATHEDRAL CITY CLEAN AND BEAUTIFUL

THE QUESTION HAS BEEN ASKED — "SHOULD ONE REMOVE THE SHRUBS AND OTHER DESERT GROWTH FROM THE LOTS?"

Please do not do that. Only after people have lived here for some time do they realize the value and beauty of the desert shrubs. They protect your property from wind and water erosion and their dense growths gather fine silt around the roots.

Many of the desert shrubs such as the Indigo, the Encelia, Burro Bush and Cheese Bush look dead during a dry season, but they are just waiting to spring into growth again at the first drop of moisture, the first rain. Give them a little of the attention you would ordinarily give to any plant and you will be more than repaid with appreciative response.

The roots of a Creosote Bush go down deep into the soil and, we are told, are able to live without water for three years. They are still green at the end of a hot summer when everything else is grey—when shrubs not native to the desert would long have been dead.

There is nothing you can plant to take the place of the shrubs and trees which make the coloring of our desert unique—the greys and greens which blend the color of sand and sky into what people call "the beauty of the desert". Do not destroy them, include them in your garden and glorify them.

Cathedral City

BY THE "PINCH-HITTER"

The meeting of the Board of Directors of the Chamber of Commerce was called to order by President James Wolseth.

Reports of the Cactus Jumpers Jamboree were read.

Election of officers for the coming year were held. The new officers are: President, James Wolseth; 1st Vice-President, Frank C. Russell; 2nd Vice-President, Raymond Potter; Secretary, Mrs. Walter E. Colglazier; Treasurer, Mrs. Marie Ide.

A new membership drive was started and leaders of the two contesting teams are Mrs. Claude Cobb and Mr. Carl Higgins.

The losing team will be host to the new members and the winning team, complimenting them with a dinner to be served at the Town Hall April 7th.

A mass meeting will be held by the Chamber of Commerce soon to discuss the pros and cons of whether to stay in the Coachella Valley Flood control district.

The Cactus Jumper's Jamboree, held February 24th for the benefit of the Chamber of Commerce, was both a financial and social success with practically everyone present for the dinner and entertainment.

Chairman Carl Higgins and co-workers deserve the highest praise for their untiring efforts in planning and putting over the Jamboree. This "fun-fest" was organized some eight years ago, and this current one rates as one of the finest we have had. We wish to thank the citizens of our neighboring village, Palm Springs for their cooperation, and a very special thanks to Mr. Frank Doro for his ticket selling and "cake-auctioneering", and Mr. Earl Strebe, who purchased tickets for every employee of his two theatres, the Palm Springs and the Plaza.

The bonds given as prizes were won by Mr. Phil Boyd, Mrs. Daisy Dowell and Miss Bernice Lamkin, all of Palm Springs. Aside from the fact that we gained publicity through Ripley's "Believe It or Not", that Cathedral City had no cathedral, it took comedian Bob Hope to discover that Cathedral City has a "suburb"—Note to Mr. Walter Melrose—in searching for a name for your prospective subdivision west of Cathedral City, you might call it "Cahoots". We heard Jerry Colona ask Bob Hope "what is cahoots?" and Bob answered "It is a suburb of Cathedral City."

We welcome Mr. and Mrs. A. Filthuth, Mrs. Jerry Philip, R. F. Smedley, Miss Pauline Cary and H. J. Tarr.

Adios Mr. and Mrs. Evan R. Jones, Mr. and Mrs. Phil Dike, Mr. and Mrs. Hilmer Carlstrom, Mrs. H. C. Hayes, Captain and Mrs. Baughn, Miss Betty Bailey.

RED CROSS NOTES

The Cathedral City Unit of Red Cross held its regular meeting

Monday, February 26. The following monthly report for February read:

Average number of workers, 21; number of hours, 453½, which does not include 115 hours of homework; work completed, 3363 surgical dressings, 6 pair of pajamas, 7 bath robes, 4 bed shirts, 7 bed jackets, 19 kit bags, 2 knee robes, 1 baby blanket, 3 gowns and 10 housewives.

Production pins were presented to nine workers who have volunteered and worked the required number of hours to receive them. They are now entitled to wear the uniforms of Red Cross production and surgical dressing rooms. Laura Pope, Sue Shoptaw, Fanny Pearce, Helen Page, Genevieve Robinson, Blanche Davis, Bertha Unger, Ida Snoddy and Elizabeth Kimberly are the women who have worked to receive their pins.

Thursday, March 1, members of the Red Cross Unit stayed after regular hours for a farewell party for Mrs. Elizabeth Bean, Mrs. Blanche Davis and Mrs. Fanny Pearce, who are leaving soon for their respective homes.

Major and Mrs. S. M. Guyton and son, James, Jr., are now occupying the Pent House of the Totem Pole.

Mr. and Mrs. Guy Edson and daughter, Bonita, are guests of Mr. and Mrs. Robert Warren. They are in Cathedral City from San Diego.

Miss Dorothy Elizabeth Kerr is a guest of Mrs. Matile P. Seaman of the Studio del Sol.

Blazing Curtain Smokes Up House

A blazing curtain which had become ignited accidentally filled the house occupied by Ammy Folk, 125 Camino Encanto, with smoke Monday morning and caused a trip by the fire department.

The blaze, reported at 9 a. m., was quickly subdued with main damage scorched walls and smoke.

Mr. and Mrs. R. R. Dunlap celebrated their 16th wedding anniversary Sunday. Mr. Dunlap is agent for the Pacific Greyhound lines here.

First Railroad in S. A.

The first railroad in South America was a short line built in Venezuela in 1835, according to the Foreign Policy Association.

MORE ABOUT . . .

Old Home Town . . .

Palm Springs were planning this "get-together-day" are also in high spirits at the prospects of talking to a civilian from their home state or town. In this respect it was pointed out, that although there are many soldiers stationed with the 21st Ferrying Group who come from the same state, the feeling that a khaki-clad boy gets in talking to a person dressed in civilian clothes, hailing from his home state, is far more satisfying to the homesick hunger.

Mr. Gordon Feeckings, commander of Owen Coffman Post of the American Legion, the Chamber of Commerce and other civic organizations are giving their whole-hearted endorsement to this plan of "soldier meet so and so" from your home state. Mrs. Harold Lienau, hostess of the Palm Springs Dugout, has been appointed to act as a clearing bureau for those citizens who wish to participate in this event.

HOW IT WORKS

For example those people who hail from New York who wish to meet some soldiers from this state need merely call Mrs. Lienau on the telephone and give their names. The phone number is 6886 and there will always be someone there.

The greatest majority of the soldiers stationed here hail from Pennsylvania, Illinois and New York. It has also been found, that the largest number of civilians in Palm Springs also hail from these states. It is planned to start this program with these three states first.

On March 16, those who have registered their names with Mrs. Lienau, will be invited to witness a retreat parade at the Army Air Base. They will be asked to assemble in front of the "Dugout" at 4 P. M., at which time they will be escorted to the Army Air Base. After the parade, the soldiers, will assemble at a designated spot where they will meet their town and state's people.

TWO-WAY THRILL

Some of the expressions of the soldiers who were told of the plan, ranged from: "It will be next to meeting my own father and mother" too, "I'd give anything just to talk to someone from my neighborhood in Chicago, Philadelphia or Brooklyn."

Mr. Feeckings pointed out that some of the permanent residents of Palm Springs, who have been away from their home town for a good many years, may get a bigger thrill out of this meeting than the soldiers.

Movies Can Bring World Peace Says Walter Kofeldt

An interesting talk on the motion picture industry by Walter Kofeldt, executive secretary of the Chamber of Commerce, an enthusiastic report of the progress of the Palm Springs Community Hospital fund drive and two excellent solos by Miss Mildred Gibson, Palm Springs high grad now attending University of Redlands, marked yesterday's meeting of the Lions club at the Desert Inn.

Earl J. Smith, hospital consultant, called for reports from various organizations and the total as of yesterday was slightly in excess of \$45,000. Goal of the drive is \$200,000. Florian Boyd, president of the association, also addressed the gathering and reiterated the great need for the hospital and the necessity of all aiding the campaign.

FIELD FOR FILMS

Miss Gibson was accompanied by Mrs. Lois Lux in her two delightful numbers.

Mr. Kofeldt, in discussing the future of the motion picture industry emphasized the value of the films in promoting international understanding and unity. He said had the industry devoted a part of its product to that end from the start, international peace would be a reality instead of still in the discussion stage.

FOR WORLD PEACE

He defined 'propaganda' as being capable of good as well as of bad and saw in the future of the movies a chance to spread good propaganda, bring nations together and put an end to misunderstanding and war.

President Charles Burket presided at the meeting and called for a vote of the members on the question of turning over the Lions treasury to the Hospital fund. The vote was unanimous and \$800 was given the Community Hospital.

Coincidence

Christmas Gifts Bring Surprise

Mrs. Pearl Lavick, manager of the Village Coffee shop, says she hates to say it—it's such a bromide—but, the world's a small place after all.

Last fall, just before the deadline for sending Christmas gifts overseas, she paid for 100 Christmas presents to go to boys overseas, leaving the name of the recipients up to an organization which was looking after lonely boys in combat areas.

This week she got a letter from Egypt. It was from Sgt. William C. Olson, one of the boys who received a Christmas package from her.

The strange part of it is that Sgt. Olson is the son of a couple who were among her best friends when she was at the Vista del Arroyo in Pasadena.

Regret for time wasted can become a power for good in the time that remains. And the time that remains is time enough, if we will only stop the waste and the idle, useless regretting.

Among the sources of those innumerable calamities which from age to age have overwhelmed mankind may be reckoned as one of the principal, the abuse of words.

—George Horne

Scores of Villagers Gather to Pay Tribute to Memory of Tom O'Donnell; Dr. Macartney Delivers Fine Eulogy

Scores of Villagers gathered on the golf course last Friday noon to pay tribute to the memory of Thomas A. O'Donnell, Village benefactor and nationally known petroleum figure, who succumbed last week in Los Angeles. While last rites were being said for Mr. O'Donnell at Forest Lawn cemetery, memorial services were said here with Father Norman C. Raley, of Our Lady of Solitude, Catholic church, The Rev. Robert M. Hogarth, vicar of St. Paul's in the Desert, Episcopal church, and Dr. B. B. Weatherall, pastor emeritus of Community church in charge.

PAYS HIGH TRIBUTE

Dr. J. R. Macartney, pastor of Community church, who attended the rites in Los Angeles, paid high tribute to the late Mr. O'Donnell in his church Sunday morning.

DR. MACARTNEY SAID:

"As when a lordly cedar green with boughs Goes down with a great shout upon the hills, And leaves a lonesome place against the sky."

"These words spoken of Lin-

coln the Man of the People, come to mind today as we rise to honor a man among men.

ALL CITY MOURNS

"The heart of our community is one heart today and that heart mourns the departure from our midst of a man who had endeared himself to us all.

"Not by any special effort did he achieve this place, but just because he was what he was.

"Those who knew him long and best, just called him 'Tom'. I dare say there is not a person who resided here even for a short time, but would instantly know to whom reference was made when that word was spoken.

"To others he was fondly known as Pappa Tom.

A FRIEND TO MAN

"Kindly, genial, friendly, unassuming, he lived by the side of the road and was a friend to man.

"There comes to mind a birthday anniversary a few years back at which Mr. and Mrs. O'Donnell were present, and Tom arose to address a few words of

reminiscence, among other gracious words were these: 'Our choicest possessions are our friends'. That remark has remained with me ever since.

"By that computation, then our friend had amassed treasures which no strong box could ever hold. Because his circle of friends was wide as the expanse of the blue above us, and the list of those who counted it a privilege to name him friend, was as long as the mountain lines that stretch before us.

"To the inner circle and those who knew him best through the years, he must have been a veritable herculean of energetic manhood and business ability. In the world of achievement his success speaks for itself.

OUTSTANDING EXAMPLE

"An outstanding example of the 'American Way,' by which individual effort and ability and sterling character can bring a man to high place in the world of affairs.

"Tapping those hidden treasures which a kind providence has stored in the bosom of the earth, and which are indispensable to present day civilization, this man, whom we honor today, delved and brought to light and converted for the uses of mankind, the black gold, and in this enterprise was richly rewarded with this world's worldly goods.

"Realizing that possessions of ability or means are a trust to be conserved and for which one is held responsible, he wisely bestowed these rewards in wide areas of usefulness.

PALM SPRINGS KNOWS

"The world at large will never know the innumerable private benefactions which he counted it a privilege to bestow, but the community of Palm Springs does know the lavishness of his generous bestowals.

"There are public buildings and institutions here which would not be but for his open and generous hand. Among them are: The Woman's Club, the Library, the Health Center Clinic and last and greatest of all, the presentation to us and those who shall come after us, of the spacious and beautiful golf course in the very heart of our Village.

"These legacies will, so long as the summer sun in mid-winter shines, and the majestic peaks lift their snowy crest skyward, and the invigorating balm of desert air, lures multitudes to this lovely spot, be features of recreation, health and culture.

"This day we rise up to honor this man's name and memory. Tom you need no eulogy of ours. Your character and deeds speak for themselves.

Ours it shall ever be to cherish your big hearted thought for us all.

Ours it shall be to point our youth to your illustrious career, as exemplary.

Ours it shall be to derive inspiration to press on, to finish this war of emancipation, and to preserve our sacred traditions of a liberty loving people. So that government of the people, for the people and by the people shall not pass from the earth."

An era in human history is the life of Jesus, and its immense influence for good leaves all the perversion and superstition that has accrued almost harmless.

Few Exceptions to Midnight Curfew Rule

Chief of Police Lyle J. Sanard, announcing the application of the new midnight curfew, said that all places except restaurants which customarily remain open all night to serve food only, and non-profit places for the entertainment of servicemen, such as the Dugout here, are affected.

The rule applied to cocktail lounges, cafes, clubs, theaters, skating rinks, bowling alleys, pool rooms, theaters and all places of amusement, he said.

A Complete Examination And Demonstration of Colon Therapy Treatment To Those Who Have Not Had The Opportunity To Avail Themselves Of This Scientific Method of Eliminating Distress And Disease!

Dr. Roy W. DeWelles, D. C., Diagnostician, of Kansas City, Missouri, will be at this office during the week of March 5th to 10th, inclusive, to assist in these free examinations.

COLON THERAPY TREATMENT IS THE METHOD OF TREATING THE COLON WITH PURE OXYGEN, AIR AND WATER!

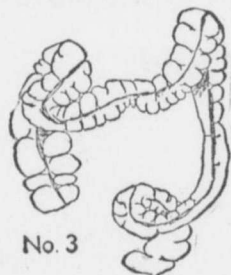

Authoritative sources state that 90 percent of all chronic diseases have their origin in the colon

This Is the Way Your Colon Should Appear

WHAT ARE YOU DOING?

What are you doing toward the success of this vital undertaking? We mean the Community Hospital. Your hospital. Where do you stand in the picture?

Below is only a partial list of what is being done by public spirited individuals and civic-minded groups.

The Students of the Palm Springs High School will raise the \$1,000.00 FROM AMONG THEMSELVES to provide the Solarium.

Five Drug Stores of Palm Springs have donated \$2,500.00 to build the Hospital Pharmacy.

The Hotels of Palm Springs have pledged, in a special drive, to provide \$15,000.00 to build the X-Ray Department of the new Hospital.

A San Francisco Rotarian has given \$1,000.00 to equip the Children's Isolation Room.

The Restaurant and Bar Group of Palm Springs has agreed to subscribe \$13,500.00 which will defray the entire cost of the Kitchen and Central Dining Room, and supplies.

A Winter Visitor has given his pledge for \$10,000.00. "I want to come back to Palm Springs next year, and for many years to come," he said.

Church Organizations, Service Clubs, and other allied groups are bending every effort to help raise substantial sums.

A Reservation Family gave One Hundred Dollars in cash. They KNOW the urgent need for a truly Community Hospital.

Music Stands New Project for Classes in Wood

Mack S. Thompson's wood shop classes are busy on another project! For the past few weeks the boys have been constructing music stands for the high school and junior high school music classes.

Metal stands are not available due to war time conditions, and until recently, Mr. Thompson has been unable to obtain the type of wood necessary.

Dr. E. E. Oertel purchased the wood while in Los Angeles, and construction began immediately.

The stands will be used by high school students and sold to the Nellie Coffman Junior high school.

GIRL OF THE WEEK

Hailing originally from Wilmar, California, and more recently from Wilson high in Long Beach, our attention focuses on a new addition to the female division of the Sophomore class.

Subtracting July 28, 1929 from March 2, 1945, sets her age as fifteen years, four months, and however many days are left, considering the fact that she has seen four Leap Years.

An eye-catching silver Air Corps identification bracelet is the prized possession of Miss green-eyes—brown hair—121 pounds—five feet, three inches, and no wonder, because her one-and-only, Sandy Soto, who is stationed in South Carolina, gave it to her.

"Goodnight, Sweetheart," Harry James' orchestra, Ginger Rogers, Errol Flynn, and the color blue are most popular on her list of favorites, along with going to the pike and bowling.

As her pal, Yvonne Provencher, introduced her to me, I'd like you to meet... Mary Nagel.

BOY OF THE WEEK

Once upon a time—in the city of Los Angeles, California, there lived a family called the M's. To this perfectly happy family, a son was born. The date: October 11, 1928.

As time passed by, he skyrocketed to six feet, one hundred sixty-five pounds.

He has an odd combination of brownish-blond hair (no peroxide either) and startling blue eyes.

Ever try to limit yourself down to one favorite food, drink, actress, actor, song, orchestra and hobby? Try it some time if you have the illusion that it is easy. The mystery lad's answers were, quote: "I'll take pork chops, lemon pie and milk, along with the song 'Rum and Coca Cola' and give me Van Johnson and 'Legs' Grable on the screen. Gary Cooper is plenty okay too. A trombone sends me provided Tommy Dorsey is on the other end of it. His hobby, and I quote: "driving wreckless." (Boy he isn't whistling Dixie either.)

Now comes that little gem of wisdom—Love Life—. I say gem of wisdom because you are wise if you shut your mouth at this point. He didn't He replied, "Anybody, mainly Mazie Rice," goes steady with her too.

Anything and everything in the sports line is okay by this guy who was crowned the ideal Lil' Abner on Sadie Hawkins day.

Peterson and Sheppard are his special confidants and he can't stand bums who won't give him the complete road while driving.

Leave us end our little story at this point with that thought. In case you care, the name is Don McKinney.

GAZOOZIT

A hefty half-breed Huegonot halted this herbacious hose-nose holding hidden hand grenades in a hairy hand. "Ho, ho," hooted he. Habitually his head hiccupped as he happily harangotangued his hollow hand grenade. Heroically, high-hatedly, and hermaphroditically, a homely hobo happily hopped on his handsome head. Horrified, the hefty half-breed Huegonot hightailed his holy huns humbly homeward. However, the homely hobo hunched his haughty horse-power under hypnosis heaving hyenas and halfhearted hydrants hither and yawn. The funeral was held on Tuesday. So you see, obviously your Gazoozit appears as per usual this week.

Friday night, his majesty, John Wilson, accompanied by Burket, and his dukeship, Dick Moseley with Croft, were seen at Tuscani having a gay old poker game (to the tune of soft music).

At the same time, Mazie and McKinney were making plans. Said he, "Will you go steady with me?" Said she: "Yes." (And Mac went steady.)

Saw Bud Foster downtown the other night. Bud's shipping out sometime this week. He just missed his old pal Slye by one day, being the second time.

Those educated yokels, members of the Senior class, were the cause of the big news over the weekend. Along with mixed Juniors, Sophomores and others, we must admit that the crusade to the Joneses at Arrowhead took the spotlight. For sleeping accommodations, all the boys were placed in a neat pile downstairs, with the girls upstairs. At meal-times, the common phrase was "pass me seven waffles—with syrup." Never a dull moment. Two o'clock one morning, Warner, J. O., Dart, and J. B. decided they wanted to go skiing, so off they went. They had everything from an igloo to a snowstorm there. But here's the \$128 question: How did Benson finally get all those pink elephants in out of the snow?

The other big event took place at Idyllwild where the second brigade of ditchers hung out. Bob Hann found himself entirely surrounded by five Senior women: Walker, Rheinman, Gores, Fletcher and Woolhouse. On top of that, our little hero fell in the creek and his pants froze.

While all this was going on, the Valliers threw another one of those impromptu parties. Everybody there was well and sober, but thickly engaged in poker or general goldbricking. Included among the joy-seekers were Klug, Wilson, "Flatop", the Gores, Nimietz, St. George and such. Proceedings broke in the wee hours, at 4 to be precise. Since nobody felt like going to bed, Reed happily suggested we all go horseback riding. Reed went horseback riding.

Couples seen roundabouts: Barbara Inman and Bell; unconfirmed reports say they're going steady. Julie and Peterson; might as well be going steady. Whitey and C. J. Hmmm.

Quite a few fellas are taking up caddy during the weekend. Seems like a good deal.

Wonder why C. J. has earned the nick-name of "Gus". And who's the lad known as "Shoes". Well seems as if the 6 weeks are over again and everybody receiving D's as usual, or am I being optimistic? I have only one thing to say in closing—Never again!

Goal of \$1,000 Set by School To Aid Hospital

With a \$1000 goal to reach, the Palm Springs high school today started the Community Hospital drive which will end May 15, 1945.

It is hoped that the high school will raise enough money to purchase a Solarium for the hospital, announced Mr. Henry Greeley, faculty chairman in charge. Another drive will start some time in September, 1945, to help complete this goal.

Pledges will be accepted for the first drive if pledged before May 15. Students are asked to contribute all they possibly can during the drive.

The surplus funds from the Operetta will be donated to the Hospital fund in the first drive, which should help the students get started.

Palm Springs has long been in need of a Community Hospital, so it is hoped that the students will get behind the townspeople and really help this drive reach its quota.

Freshman Cake Sale Is Huge Success

So great was the demand for pastry at the Freshman cake sale, Thursday noon, February 22, that the Freshman class was sold out before it had even set up business.

The cakes were furnished by three Freshman girls, Dorothy Winterton, Coni Tilghman, and Joan Whorton, and were priced at 10 cents a slice.

The complete success of the sale brings promises of more cake in the future.

ON THE WAR-PATH WITH ART JONES

Beating the unpredictable ground-hog to the draw, the first sign of spring was unveiled last week as the 1945 softball season shifted into high gear.

Preparing for the gala premiere scheduled to occur at Beaumont on that red-letter day, March 9, our veteran Indian ball-club has securely pitched this spring's training camp, and during their first two weeks of drill, have already evinced numerous promising signs of unusual ability.

With nine seasoned players returning to the diamond from last year's undefeated squad, complimented by several able-bodied rookie candidates reporting for active duty under the Maroon and White banner, a top-notch season is assured with the League championship a very good possibility, if not probability.

The chief reason for this optimistic report is the return to the roll call of Frank Devers, sensational record-breaking pitching star of the 1944 Palm Springs championship team, whose arm is reportedly in excellent shape, according to first-hand information. However, this invaluable asset will be greatly supplemented by a superb infield and outfield.

The principle question-mark arising to date is the matter of a suitable replacement for the catcher position left vacant by Joe Sandeffer, stellar athlete who graduated last May and is now busy handling the Japs a no-hit, no-run shut-out. The contenders for this all-important receiving station are Dick Doro, Chuck St. George, and Ed Wills, all of

Motion Picture Tells Story of Why U. S. Fights

"Divide and Conquer" was the third motion picture of the series "Why We Fight," presented to Palm Springs high school last Monday by Captain Joe Caraway representing the Army Air Corps.

Before the picture, Captain Caraway introduced the guest speaker, Captain Riley of the Eighth Air Force in England in 1942. Captain Riley was a first pilot on a B-17, which made 25 raids over Germany.

On the return from one of his raids, 206 bullet holes were counted in his plane.

Captain Riley is the wearer of the Distinguished Flying Cross and three Oak Leaf Clusters.

Another interesting motion picture of this series will be presented next Monday by Captain Caraway.

GIRLS' LEAGUE KID PARTY

A last day has arrived when even the superior Seniors can let down what hair they have left, albeit gray with worry, along with the carefree under-classes, for a memorable evening of 'messing around' with the Torney General orchestra, soloist DeLorse Roth, and plenty of refreshments.

A dollar and ten cents for couples, and seventy-five cents for stags, is the price of a round-trip ticket to second childhood, via the Girls' League Kid Party, tonight at 8:30, in the auditorium.

Students are asked to come dressed as they were ten years ago; prizes will be awarded for the most appropriate costumes.

Report on School Part in Hospital Drive Presented

Coni Tilghman and Ed Wills reported on the Palm Springs Community Hospital drive meeting, held last week, at the regular Tuesday Student Council meeting on February 27.

Student Body President Bob Lineau announced that club activity reports will be made in assembly, March 5, by Sallie Lockett, Joe Brummit and Warner Moore.

It was decided that to eliminate absences from council meetings, members who have eight periods must make them up at noon, or arrange with the office to have them postponed. Harmony Hall rehearsals will take precedence over council, when Mr. Greeley is notified and a representative attends the meeting.

Warner Moore was appointed to outline requirements for letters to be awarded in track, tennis and baseball, with Girls' Physical Education Director Vash Hronis and Coach Mack Thompson.

It was brought to the attention of the council that both interior and outside walls have been smeared by pencil and lipstick marks. Mr. Greeley suggested that the Service Club take the matter up with Dr. Oertel.

Since there was no other business, the meeting was adjourned.

Building Operations in Village for Two Months Within \$5,000 of Total Construction Work Here During 1944

Building operations in Palm Springs for the first two months of 1945 approached the total for the entire year of 1944 as February came to an end with 37 permits representing a value of \$115,485 issued. This brought the total for 1945 to date to \$158,945 compared with the total for the twelve months of 1944 of \$164,174.50.

Permits issued so far were larger on the average than last year for 296 permits were represented in 1944's \$164,174.50 while only 63 accounted for the \$158,945 issued so far this year.

TO EQUAL 1944 SOON

At the building department, Inspector Arthur F. Wright said the difference between 1945 to date and all of 1944 would probably be made up by the first of the week.

Ten permits issued to the Palm Springs building company for houses in the northeast portion of the city accounted for \$75,000 of the week's permits. Each was for \$7,500. Seven of the new houses are on Alameda and San Jacinto way and three on Granvia Val Monte and Hermosa drive.

OTHER PERMITS

Other permits were:

February 19—
Mrs. Esther Goldberg, 336 North Palm Canyon drive, roofing, \$65.
Mrs. Irene Wright, 1065 San Jacinto Way, roofing, \$65.
Mrs. H. B. Reed, 701 Calle de Los Amigos, roofing, \$55.
Perry Sanders was contractor on the three above projects.

February 20—
Dick Mabrey, 1808 South Palm Canyon drive, garage, \$400.

February 23—
E. C. Garland, 1149 Tamarisk, addition \$350.

Joseph Butler, 563 Camino Real, addition, \$500.

A. D. Stahler, Barona road, Araby, addition, \$2300.

James J. Campbell, 1537 Via Miralesta, duplex, \$12,500.

February 24—
Ten permits listed above to the Palm Springs Building company.

Mrs. Dora L. Williams, 370 North Indian avenue, remodel, \$250.

Plan Farewell For Joe Marino

Marino closes his engagement with the Dunes this week and next week starts a new one—with Uncle Sam.

He's scheduled for induction into the army Tuesday.

BATH AND LAUNDRY UNIT AIDS MORALE

A boost to the morale of American doughboys in Europe are bath and laundry units, camouflaged in groves of trees, near the front lines.

The men withdraw from the front line in small units, bathe or shower, and receive fresh clothes. Soiled clothes are laundered and reissued to other groups coming later.

Portrait of the Week

By BERNARD of Hollywood

This week's Portrait of the Week presents a real daughter of Palm Springs . . . Mrs. Lee Knight . . . daughter of the late Gordon Coutts, famous artist . . . and a resident of the Village for the past twenty years.

Born in Granada, Spain, she started her study of painting at the age of four . . . also started study of the violin, piano and dancing.

She now has a daughter, aged two, and awaits the return of her husband, an aerial gunner overseas.

Riding is her favorite sport, she thinks, but swimming, hiking and archery are right up at the top, too.

Right now, supervising the art gallery at the Coutts home and teaching art are her main occupations.

No Civilian Gas Ration Increases Are Anticipated

Motorists in Southern California can expect no more than the current rations of gasoline for some time to come despite current production increases, according to information received by William A. Lippman, chairman of the local rationing board.

Military and lend-lease uses are being allocated the increased production by the Petroleum Administration for War. "No Change" will still sum up the civilian gas allocation situation after the end of the war in Europe because of the step-up in Pacific military operations, according to present information, Mr. Lippman said.

P.A.W. now allocates about 47,000 barrels of gasoline a day for the eight southern counties in the Los Angeles OPA district. This district has been using within one per cent of its civilian allocation through ration stamps.

A recent proposal that the rations of Pacific Coast "B" book holders be increased from the present 400 miles to 475 miles a month was disapproved when P.A.W. said that the gas supply here was insufficient to permit it.

AMERICAN LEGION DUGOUT

By the Legion Observer

With the increase in personnel at nearby military installations, more and more servicemen and women are visiting the Dugout. Located in the heart of the Village, the service center is headquarters for many who visit Palm Springs on furlough from distant bases.

Winter residents and Villagers have been generous in their donations of magazines, books, games, puzzles, records for the juke box, fruit, homemade cakes and cookies—and even flowers which add so much to the attractiveness of the lounge. Numerous other articles needed in the operation of an organization which serves several thousand men and women a month, have been brought in by interested friends of the Dugout, all of which are greatly appreciated, not only by those who are served there, but by the American Legion Dugout Committee composed of Dick Taylor, chairman, Gordon Feekings, Art Wills, Marvin Sales and Charles Mathews.

A large staff of volunteer hostesses is required to serve the many visitors, not only at the snack bar, but to dispense information, arrange transportation, and assist with housing.

Residents and guests are co-operating by offering rides in to Los Angeles, San Diego, and other cities. Many contacts are made through the Dugout and rides arranged for personnel at Torney General Hospital and the Army Air Base. Anyone who has room for one or more passengers and is willing to share their transportation, is urged to phone the Dugout or drop by and leave the information regarding time of departure and number of passengers desired.

Housing for servicemen and their families has developed into a problem. Numerous requests are received daily for assistance in locating available apartments. Many rooms are needed each week, and especially for week-ends. Anyone who has a room for rent in their home will render a great service by notifying the Dugout.

The following hostesses are giving many hours of service under the direction of Mrs. Harold N. Lienau, Chief Hostess: Mrs. Thomas B. Greer, Mrs. Bradstreet Miller, Mrs. Walter E. Clapp, Mrs. John Williams, Mrs. Frank Doro, Mrs. Howard Flint, Mrs. P. M. Swart, Mrs. Samuel Gendel, Mrs. Fred M. Moore, Mrs. S. H. Barnum, Mrs. Joseph Cadenbach, Mrs. Fred Pace, Mrs. Edward Cuneo, Mrs. Victor Guthrie, Mrs. J. M. Edwards, Mrs. Myron Grimes, Mrs. M. O'Connor, Mrs. Morton Newhoff, Mrs. Ben Tipp, Mrs. Engelbreton, Mrs. Fitch Wray, Mrs. William A. Lamb, Mrs. F. W. Holmes, Mrs. Kenneth L. DuBose, Mrs. Donald Floam, Mrs. James Weir, Mrs. Harold Horne, Mrs. Grace Menke, Mrs. Flora Whipple, Mrs. William C. LeFevre, Mrs. William C. Bridgman, Mrs. Marian Brooks, Mrs. Jane Kelly, and the Misses Elsie Kalsein, Hazel Meadows, Florence Stark, Dorothy Baer, Alice Doyle, Mary Louise Gaylord, Vashke Hronis, Kay McElwain, Virginia Booth, Marjorie Shandler, Bobette Parker, Marjorie Baker, Fay Muchnick, Joan Smith, Naida Wirth and Grace Davis. Much credit is due these ladies for their splendid work.

one present voiced their sincere opinion that the hospital was the number one civic project needed in Palm Springs, because it would be available for the citizens who live here throughout the entire year and because many of the winter guests of the hotels offered need the services of an accredited hospital. They also said that many more wealthy guests would spend any where from one to six months in Palm Springs if a good hospital was available instead of having to travel 50 to 100 miles to other cities.

HOTEL MEN BUSY

Earl Coffman of the Desert Inn is chairman of the hotel group. The Vice-Chairmen are, Mrs. Melba Bennett, Mrs. Billie Lippis, Mrs. Thelma Davis, Mrs. Billie Murphy, Mrs. Ruth Hardy, Miss Margaret Foldes, and Mrs. Virginia Farrell. Mr. Louis Thompson, Mr. Dewey Metzendorf, Mr. M. G. Mead and Mr. Charles Toucher.

R. F. Outcalt assisted by Stanley Rosin, John Chaffee and Charles Burket were named with a committee in charge of the apartments and rooms group of the Community Hospital campaign.

EVERYBODY HELPS

This committee met Tuesday evening, and worked out the details of the solicitation. A special meeting of the sixty-eight owners or managers of the apartments doing business in Palm Springs was held at 10:30 a. m. yesterday, in the Fiesta Room on the Desert Inn grounds at which time details of the campaign were mapped.

With all organizations actively at work, Chairman Boyd and his fellow committeemen were confident of complete success in the drive.

MORE ABOUT . . .

Red Cross . . .

raising \$200,000,000 is face to face with the soldiers of the home front, whose mighty qualities have never forsaken them in time of stress and need. The citizens of America meet the task cheerfully. Being Americans, SUCCESS is their goal.

The quota for Palm Springs is \$26,910, an increase of approximately \$3000 over the quota of 1944. But in 1944, we didn't have the frightful casualty lists as we have today. Never in the history of the Red Cross have the services of our men been so desperately needed.

If you haven't registered to assist in the raising of funds in this area, please do so immediately. Pennies, nickels, dimes and dollars—millions of them . . . must be collected for the American Red Cross.

SUPPORT SOUGHT

The following committee chairman earnestly solicit your cooperation and support:

Carl Haymond—chairman of the drive.

Frank Cutler—advanced gifts.

Kenneth DuBose—business and merchants.

Gordon Feekings—hotels and apartments.

John Chaffey—City employees.

Earl Strebe—theaters.

Ethel G. Whitehorn—publicity and promotion.

Mrs. Walter Melrose—Cathedral City.

R. V. McDonald—Desert Hot Springs, Garnett, and Whitewater areas.

He who shall introduce into public affairs the principles of primitive Christianity will change the face of the world.

Quarter Inch of Rain Falls Here

Palm Springs' share in a general southern California rain storm Wednesday was .24 of an inch of moisture bringing the total for the present season to 2.92 inches compared with 10.03 inches on March 2 last year.

Deep snow fell in the mountain areas and even some of the lower ridges above the Village were white Thursday morning. As result of the generous fall, the minimum recorded at the police station yesterday morning was 32 degrees.

SOLDIERS USE FEMININE CAMOUFLAGE FACE PAINT

Face paint may have annoyed them during peacetime, but today's fighting soldier is using it for camouflage purposes.

Manufactured in stick form to fit a round metal tube, makeup is supplied in two colors in one of three combinations—loam with green, white or sand. Choice of color depends upon the type of terrain.

Festive Parties at Desert Inn Mark Anniversary Week

Washington's Birthday proved a festive time at Desert Inn, as several other anniversaries also were marked that evening. Mr. and Mrs. Arthur Frost, who are spending a week at the Inn from their Beverly Hills home, assembled a large group of their friends for cocktails to compliment Mr. and Mrs. William Malouf, who later that week celebrated their 15th wedding anniversary. A group of near 30 met with the hosts.

Following the Frost's gay party, Mr. and Mrs. Bert Malouf presided at a dinner in the Spanish room. Guests seated were Messrs. and Mrs. Frost, William Malouf, Paul Belding, Frank Davies, Harold Moffat, George Roberson, Thomas Malouf, Mmes. J. Darsie Lloyd, Ona Brown, Kenneth Kirk, Zaddie Bunker and A. Nausour. The dinner hosts were celebrating their 13th wedding anniversary, and Mrs. Davies was marking her birthday. Desert Inn's orchestra serenaded the group for the many occasions being celebrated.

ADMIRAL IS GUEST

Also enjoying a stay at the Inn this week have been Read Adm. and Mrs. Ralston Holmes. He formerly served as commandant of the 11th Naval District in San Diego, and now is stationed in Pasadena. Col. and Mrs. W. W. Hicks were up from Fort MacArthur for a few days, and were welcomed by their many Palm Springs' friends.

From Pasadena have come two couples for a week's stay. They are Mr. and Mrs. R. Taylor with Mr. and Mrs. Fred Woodruff, Adm. and Mrs. Hayne Ellis, of San Marino, will have ten days in the desert warmth when they leave Desert Inn on Saturday.

Edward Fleet Bishop, wearing the uniform of the army air corps, spent his 72 hour furlough with his parents, the E. K. Bishops, at the Inn this week. He is stationed at Luke Field, Arizona.

HOSTS AT DANCE

Mr. and Mrs. Lewis W. Mesta, of Pittsburgh, entertained at the dinner dance for a group of Pennsylvania friends. They included Mrs. Roger Phillips and her mother, Mrs. Dixon, of Butler, Pa., who have taken a house here; William Fleming, visiting from Pittsburgh; and the Albert Burkis who are wintering in Palm Springs from Pittsburgh.

Mr. and Mrs. Alfred Pillsbury with Mrs. Charles Pillsbury, of Minneapolis, arrived to spend a month in the desert sunshine. Others picking this destination from far away are Mr. and Mrs. John W. Mercer, New York City; Mr. and Mrs. Howard Fawcett, Canton, Ohio; Mr. and Mrs. C. W. Hammond, Omaha; Mrs. John Schuler with Ann Schuler, Des Moines; and Mr. and Mrs. A. R. Wuest with their two sub-deb daughters, Joanne and Marilyn, who come each season at this time from Aberdeen.

CHOLLY WITH US

Lynn Spencer, who has such a large following of readers for his "Cholly Angeleno" column in the Los Angeles Examiner, and Mrs. Spencer were entertained extensively during their weekend visit at the Inn.

Others enjoying extended stays are Dr. and Mrs. David Fitzgerald, Chicago; Mr. and Mrs. R. Taylor with Mr. and Mrs. Fred Woodruff, Pasadena; Mr. and Mrs. H. E. Halvorson, Seattle, and Mr. and Mrs. F. K. Dent of the same city; Mr. and Mrs. Stephen Griffith, Los Angeles; Miss Rosemary Dwyer, Portland; Mr. and Mrs. Donald Witherbee, Beverly Hills; Mr. and Mrs. J. H. Kelley with Dr. and Mrs. J. E. Fazakerly, Los Angeles.

Scripps college classmates, who shelved their studies for a few days to so-journ at Desert Inn, were Miss Virginia Clarke and Miss Margaret Taylor. They were visiting Miss Clark's grandfather, C. H. Clarke, of Seattle, who spends every winter at Desert Inn.

Jeanne Welty Will Present One-Woman Play Monday Afternoon at Woman's Club Meeting; Performance Eagerly Awaited

BY MARTHA FORWARD

Jeanne Welty, astonishing young actress, producer and costume designer, will present one of her brilliant monodramas—unique one-woman plays—"The Invincible Miss Kemble", on the stage of the Palm Springs Woman's Club on Monday afternoon, March 5th, at 2:30 o'clock, when she appears as the feature of the ninth program of the season. This is the story of a beautiful, bewildered girl who became the idol of the British stage, came on to America for a series of triumphal tours, and was a reigning favorite from Boston to New Orleans.

The monodrama, as presented by Miss Welty, is an incorporation of the best features of the dramatic monologue together with the action and brilliant costuming of the legitimate theatre. Audiences thus get the effect of a regular stage play, though it is enacted by one person with a single voice carrying the entire dramatic action.

MONTHS OF RESEARCH

Miss Welty, star of Max Reinhardt's California production of "The Miracle", writes as well as produces her own programs, thus appearing in the multiple role of designer, actress and producer. Each of the programs represents months of intense research into the lives of the noted women she portrays with so much power and conviction.

The most fascinating subject in the world is a woman who has fired the imagination of men and earned the admiration of other women. She may have contributed nothing of importance to mankind—except her presence. But this is always enough. Remembered beyond her little time in surviving hearts and recurring legends, she has made her mark in the world.

NEVER LOSES VIM

It is such memorable women that Jeanne Welty brings to you—Catherine, the magnificent Medici, Catherine, the great Czarina, and The Invincible Miss Kemble. Few of them changed the course of history, but none of them crossed the stage of life unnoted... these are the women whose personal fortunes and misfortunes, whose moments of triumph and despair are charged with drama—poignant with feeling, rich with emotion. And these are the women, long dead, who come so vividly to life under Jeanne Welty's magic touch.

Miss Welty is one of those rare actresses who has never lost enthusiasm for her work. She approaches each new production as if it were her first. Her first, incidentally, was at the incredible age of seven when she put on a play with neighborhood youngsters on the porch of the family home in Lima, Ohio. The idea was hers and so was the finished production; she had adapted her play from a child's story which was a favorite with her. Fond parents were required to pay ten cents admission, proceeds to go to the local Day Nursery.

CAST REFUSES

At the nth moment—that is to say, curtain time, had there been a curtain—the rest of the cast got a bad case of stage fright. Jeanne gathered them around her in the family parlor, out of earshot of the audience, and gave them a "pep" talk. She cited the box-office "take", all of which she would have to return to the audience if the play wasn't put on... and think of those poor kids... and think of those poor kids... and weren't they ashamed of themselves, etc. She says she even cried a little as she warmed to her subject. But though the tears were very real, Jeanne couldn't persuade her cast to go through with it.

This may have been providential, for the monodrama was born at that crucial moment; very well, said Jeanne, she'd do the whole play herself—and she did. And from that youthful and tentative beginning she has developed into one of the most accomplished and rewarding young actresses of the day.

IN LEADING ROLES

Educated at private schools in Lima, Washington and Cincinnati, Jeanne Welty began her professional training at the Schuster-Martin School of the Theatre and the Cincinnati College of Music. She also studied at the Pasadena Playhouse and with Frances Robinson-Duff in New York City. Her first theatrical roles were with a stock company which travelled from coast to coast. She played leading parts in a repertoire which included "The Rivals", "She Stoops to Conquer", "The Merry Wives of Windsor", and "Lady Winde-

Anniversary Occasion for Festive Affair

Mr. and Mrs. William B. Malouf were hosts at their charming home at 279 Via Las Palmas, Saturday evening to 150 guests, the occasion being their 15th wedding anniversary. The house was literally banked with flowers.

It was a Peasant party with guests attired in peasant costumes and music for the dancing furnished by a Hill-Billy orchestra.

A delightful buffet supper preceded the dancing.

A feature of the evening was a skit, written by Paul Belding, depicting the courtship of the hosts which was received with great acclaim by the guests.

Miss Mobley Lushanya, well known operatic star, who recently sang "Aida", broke a rule never to sing at private parties and thrilled the hosts and guests with several numbers.

Mrs. McRory Guest of Honor At Stork Shower

Mrs. M. R. Medby, Mrs. Marcus Caro, Mrs. Jewel Theo and Mrs. Louise McCann acted as co-hostesses last Saturday night at a stork shower in honor of Mrs. O. B. McRory, wife of the city health officer. The merry party was held at the home of Mrs. Hans Hansen, 577 Hermosa drive.

Mrs. McRory was the recipient of many handsome gifts. A buffet supper featured the evening. More than a score of guests were present.

Refugee Children Topic of Talk by Notable Visitor

Mrs. Jack Goodman of Indianapolis who is devoting her time to one of the world's greatest humane undertakings—the care of refugee children—is in Palm Springs and a guest at the Del Tahquitz hotel. She is touring the west to find out what is being done in this area for Europe's refugee children and is allied with the Youth Aliyah movement whose aim is to save and rehabilitate the orphans of Europe, especially the Jewish youngsters.

She was closely associated in Palestine with the tuberculosis hospital on Mt. Scopus and was with Mrs. Henrietta Szold, who died recently at the age of 84, in forming the Aliyah movement.

Today at the home of Mrs. Charles S. Bonoff, 821 Mel avenue, she addressed a group of Villagers interested in the refugee children work.

Mrs. Herman Fleischman and Mrs. Dorothy Nussbaum assisted at today's meeting.

The banjo originated in America. It is named after its inventor, Joseph Sweeney, who, because he played so many instruments was called "Band Joe" or "Banjo".

Desert Riders to Perpetuate Group During Emergency

Directors of the Desert Riders of Palm Springs, who are in the Village, recently decided to continue the policy adopted last year when the available directors formed a "management committee" to conduct affairs of the group for the duration.

At the meeting last year it was voted to adopt this move to perpetuate the organization which has done much valuable work on desert and mountain trails. Eugene Griffes is Trail Boss for the Desert Riders and has been actively on the job.

The management committee comprises Mrs. Melba Bennett, Eugene V. Griffes, Earl Coffman and Raymond Cree.

Greyhound Bus Drivers Know Value of Tires

Now that civilian tire quotas have been cut again to provide for increased military needs, motorists will be forced to redouble their efforts to stretch mileage. Tire conservation methods of intercity bus lines, as compiled by the National Association of Motor Bus Operators, set a high standard. While most motorists may not be as painstaking as the operators of highway buses, the exacting practices followed provide a valuable check list.

Proper inflation is of prime importance. Before every trip, bus tires are checked on gauges that are calibrated daily. In addition, inflation is checked again at rest stops and terminals. Special attention is given to the replacement of worn valve caps and cores to prevent slow leaks. Because tires containing synthetic rubber develop higher temperatures, the frequent checks also avoid over-inflation resulting from excessive heat.

Every time a bus comes into the garage, all tires are inspected to remove stones, glass or nails imbedded in the rubber. The inspector also looks for any indication of rubbing against the body or fenders; any cuts or bruises in the walls or tread; any excessive wear resulting from misalignment of wheels, dragging brakes or brake abuse, and for cracks or breaks in the rims. Front wheels of buses are checked for proper toe-in at least once a week or upon any sign of misalignment. The condition of bushings, bearings, axles, springs, tie-rods and drag links, which may have a bearing on tire wear, are also checked at regular intervals. Tires are rotated frequently to insure even wear and when they

moved to the Village. He joined the Safeway outfit then and opened the local store as manager.

His wife, who was instrumental in bringing him here, is named Alice. Like all men, he got around to the subject of his youngsters quickly. Joal is 5 and Gail, 2.

Joe is a past president of Los Compadres and a director of the Chamber of Commerce. He is also a member of the Lions club. As a Los Compadres member and ex-officio, he is quite a rider and calf roper. In Gymkhanas staged by the club he is one of the shining stars and he also does a bit of neat Western dancing at club dances at Rogers ranch.

But he has one claim to distinction. He can't remember anything but the desert for he's lived in this area, Imperial, Palo Verde and Coachella, ever since he's been 2 years old.

Highway Patrol Thanks Village For Drive Aid

In a letter to Walter Kofeldt, secretary of the Chamber of Commerce, Grover H. Garland, director of the department of motor vehicles, expressed his great appreciation of the aid given the California Highway Patrol campaign for the March of Dimes.

Members of the CHP were in the Village two days and, accompanied by Barney Ostrow who introduced them, they made the rounds of hotels, cafes, lounges and clubs, placing jars for the receipt of contributions to the March of Dimes fund.

In a short time, they collected almost \$1500, more than three-fourths of the total collections by the Patrol in Riverside county.

Mr. Garland said the CHP was deeply grateful for the cooperation of the people of Palm Springs.

are demounted, rims are cleaned and painted to prevent rust.

These conservation methods have enabled highway buses to obtain an average of 40,000 miles of service per tire and many cases have been reported of tire mileage in excess of 75,000. Even when the active life of a bus tire is ended, it still serves a useful purpose because it contains enough reclaimable rubber to make six 6.00x16 wartime passenger car tires.

Ring and Mat Men To Perform Here For TGH Patients

Sgt. 'Tex' Salkeld, Torney's popular swimming pool and athletic manager, announced Tuesday that he had made arrangements for an all-star boxing and wrestling show at Torney Hospital March 10.

Sports Service Inc., headed by Gerry Geisler, noted Los Angeles attorney and sports promoter, and Bill Smith of the California State Athletic Commission, is bringing an outstanding show of nationally known stars of vaudeville, boxing and wrestling. This marks the fourth appearance of such a group here, brought through the cooperation of Sgt. 'Tex'.

The show will be held in the boxing arena on the drill field north of the A and D building.

Nation's Ranking Tennis Stars Will Compete for Honors in Tenth Annual Palm Springs Tourney Starting Today

The Tenth Annual Palm Springs Tennis tournament got under way today on the courts at the Racquet Club, Palm Springs Tennis club, the Desert Inn and Torney General Hospital with indications of pointing to the best tournament of the long line of successful similar events.

Play started this afternoon and will continue tomorrow and Sunday, Col. A. B. Jones, commanding officer at Torney General Hospital is the official referee and the tournament is under the management of Perry T. Jones of the Southern California Tennis association.

FOR TORNEY PATIENTS

As this year's tournament is primarily for entertainment of soldier-patients at Torney General Hospital, all final matches will be played there as well as a full schedule of pre-final matches.

Schedules for each day's matches will be posted at the four spots where play is staged. A limited number of seats will be available for the public at \$3 per ticket, plus tax.

All patients and military per-

sonnel at Torney will be admitted free of charge.

MANY STARS ENTERED

A star-studded list of entries will compete for honors this year, Mr. Jones said. Among them are:

PAULINE BETZ, United States champion in 1942, 1943 and at present.

ROBERT FAULKENBURG, air cadet, men's doubles champion of the United States and the junior singles and doubles champion of the United States. Cadet Falkenburg, at the age of 18, held 12 national championships.

MISS MARGARET E. OSBORNE, Women's Doubles and Mixed Doubles champion of the United States and the runner-up in 1944 for the Women's Singles Championship of the United States. Miss Osborne is the champion of Northern California.

ELWOOD COOKE, former Men's Doubles Champion of the World and a former runner-up for the World's Singles Championship, at Wimbledon.

MRS SARAH PALFREY COOKE, the 1941 Champion of the United States and nine times winner of the Women's Doubles Championship of the United States as well as five times winner of the Mixed Doubles Championship of the United States.

MISS A. LOUISE BROUGH, Women's Doubles Champion of the United States and in 1942 and 1943 the Runner-Up for the Women's Singles Championship of the United States. Miss Brough is also the Champion of California.

HENRY NAAMANI, Champion of Iran.

MISS MARY ARNOLD, the Fifth ranking Singles Player of the United States.

PRIDE MOREY LEWIS, Former Men's Singles and Doubles Champion of Canada.

MISS JINX FALKENBURG, the number 1 magazine cover girl of the world, and Columbia Motion Picture Star.

LT. JACK P. TIDBALL, USNR, Former National Inter-Collegiate Singles and Doubles Champion.

MRS. RUBY BISHOP BIXLER, Former Junior Singles Champion of the United States.

HERBERT FLAM, Former Boys' Singles Champion of the United States and the present Junior Singles Champion of Southern California.

MISS JOSEPHINE CRUICKSHANK, Former National ranking star and member of the United States Wightman Cup Team.

NICK CARTER, Champion of San Francisco.

MRS. JANE STANTON GALLAGHER, Former Clay Court

All-Star Casaba Outfit to Tangle With 21st Saturday

A good many of our Villagers are planning to go to the 21st Ferrying Group Army Air Base Saturday night, March 3, and be on the sidelines for the basketball battle between the base team and the El Centro Marine Corps Flyers which begins at 8 o'clock.

Transportation for those who do not have a ride to and from the base will be made available, leaving from in front of the Village Pharmacy at 7:30 o'clock. Men and women stationed at the 21st Group will be watching the cage contest at the base gym and civilians are welcome to join in, by obtaining their tickets at several places in Palm Springs.

IN FOR TREAT

Fans believe a real treat is in store as the fast El Centro outfit comes here with its former collegiate All-American talent to tangle with the ferryman All-Stars team. The visiting Marines will give plenty of opposition and keep the game at a fast clip, because during the past season the El Centro team has demonstrated its ability by defeating the leading quintets up and down the Coast.

If possible, the base hopes to present a double-header with the base WAC basketball team also playing a women's team from El Centro. Efforts are being made to arrange this second game for Saturday night.

ON SALE UPTOWN

Tickets to the game, which will benefit the base's athletic and recreation fund, are on sale to Villagers at the Desert Inn, Palm Springs Drug, Gordon's Coffee Shop, Village Pharmacy, Smoke Tree Ranch, Deep Well Ranch, Del Tahquitz hotel, the Ambassador, Kona Inn and Lykken's store.

Fish, Game Group To Meet Monday in Regular Session

Newly organized Palm Springs Fish and Game Conservation association will meet Monday evening at the Fire Hall in its first regular meeting since election of officers last week. Regular meetings of the association will be held on the first Monday of every month.

At an organization meeting last week Harold Lienau was elected president, Harold Hicks and Leo Wilkes, vice presidents, Bill Leonesio, secretary and treasurer, and Barney Johnson, Harry Mann, Page Bond, Doc Mabrey and Frank St. Marie, directors.

Doubles Champion of the United States.

HARRY BUTTIRMER, Men's Doubles Champion of Northern California.

AIR CADET JOHN F. SHEA, Junior Doubles Champion of the United States.

MISS GERTRUDE A. MORAN, a former Junior Doubles Champion of the United States.

ALLAN D. HERRINGTON, former Inter-Collegiate Doubles Champion of the United States and former Men's Singles and Doubles Champion of the Pacific Coast.

In addition to the above present national champions and former national champions, forty other outstanding tennis players from California will participate in this year's Palm Springs Tennis Tournament, with all final matches scheduled to be played at the Torney General Hospital on Sunday afternoon, March 4.

Stars of Racquet Club Take Close Tennis Tournament

Stars of the Racquet Club, including the film celebrity, Paul Lukas, and Mrs. Jane Stanton Gallagher, one of the top-ranking women players of the country, won out in hotly-contested matches with military personnel of the 21st Ferrying Group, Ferrying Division base at Palm Springs, at the Racquet Club courts last weekend. The club team captured three of five singles matches and swept the doubles program, winning the two matches played.

This was the second time the 21st Group crew has been defeated by the Racquet Club. Future contests will be scheduled, according to Joe Sawyer, pro at the club. Mr. Sawyer has distinguished himself as a coach of the Racquet Club team.

Ed Barker, field champ, took the decision over Mr. Donald Strelam of the Racquet Club, 6-1, 6-4, while S/Sgt. Lew Wright lost in two sets, 6-2, 8-6 to film star Paul Lukas. Rodney Soher, Racquet Club, defeated Captain Anderson after a hard three-set struggle 6-4, 4-6, 6-2. Private Bob Smith was the victim of charming Mrs. Jan Stanton Gallagher, one of the ranking tennis players of the country, 6-2, 6-0, while Captain Keith Wilson came through for the 21st, to win over Anderson of the Racquet Club, 6-2, 3-6, and 6-4.

The highlight of the afternoon was a fast-moving doubles match with Barker teamed with Captain Anderson against Strelam and Soher, which the latter won in three sets, 4-6, 6-4 and 7-5. Wright and Smith lost to Lukas and Gallagher 6-2, 6-0.

They helped every one his neighbour, and every one said to his brother, Be of good courage. —Isaiah 41:6

Christian Science
Text is "Christ Jesus"

"Christ Jesus" will be the subject
of the Sunday Lesson-Sermon in all
branches of The Mother Church,
The First Church of Christ, Sci-
entist, in Boston. This prophecy
from Isaiah is the Golden Text:
"There shall come forth a rod out
of the stem of Jesse, and a Branch
shall grow out of his roots."

A Bible selection from Mark's
Gospel reports that Jesus "ap-
peared unto the eleven as they sat
at meat, and upbraided them with
their unbelief and hardness of
heart, because they believed not
them which had seen him after he
was risen. And he said unto them,
Go ye into all the world, and preach
the gospel to every creature. . . . And
these signs shall follow them that
believe; In my name shall they cast
out devils; they shall speak with
new tongues; . . . they shall lay
hands on the sick, and they shall
recover."

Mary Baker Eddy writes in "Sci-
ence and Health with Key to the
Scriptures": "Our Master fully and
finally demonstrated divine Science
in his victory over death and the
grave." "The reappearing of Jesus
was not the return of a spirit. He
presented the same body that he
had before his crucifixion, and so
glorified the supremacy of Mind
over matter."

Church to Mark
Anniversary
On Palm Sunday

Sunday, March 25, Palm Sun-
day, the Community church will
celebrate its 28th anniversary,
Dr. J. R. Macartney, minister,
said this week.

Although church meetings were
held here by a community group
it was not until March, 1917, that
the church was organized and a
building erected at Andreas road
and Palm Canyon drive where
the Carnell building now stands.

Dr. McQuarrie, now of River-
side, who helped organize the
church and preached the first
sermon in the original structure,
and Mrs. McQuarrie, will be spe-
cial guests of Dr. and Mrs. Mac-
artney on that occasion.

Great Growth for Desert Area Seen In Post War Era

Predicting that the center of population in Riverside county will move eastward and that this county will show the greatest development of any Southland county in post-war years, K. Irving Marshall, technical advisor to the county planning commission, urged prompt action in the making of post-war plans in a talk at Del Paso hotel in Banning Monday evening.

THREE FROM CITY

The dinner meeting, called by the Riverside county Chamber of Commerce for cities in the Pass, Hemet-San Jacinto Valley, and eastern sections of the county, was attended by 36 delegates from the various Chambers of Commerce, and city officials. Communities represented included Riverside and Arlington, Hemet, Elsinore, Banning, Beaumont, Palm Springs, Cathedral City, and West Riverside. Mayors of three cities attended, including Mayor Eugene Theriau of Palm Springs, Walter Kofeldt, secretary of the Palm Springs Chamber of Commerce and City Manager Ray Sorum also took part in the session.

Banning's Mayor Robert N. Berlin, and Mayors Eugene Theriau of Palm Springs and Gibbons of Hemet. Walter Kofeldt, secretary of the Palm Springs Chamber of Commerce also took part in the session.

Joseph Seymour, of Riverside, chairman of the county Chamber planning committee, presided and with Harry C. Harper, secretary of the county organization, introduced several speakers. Brief expressions of welcome were made by Ray Forbes, president of the Banning Chamber of Commerce, and Mayor Robert Berlin, after Charles Clark of Banning, Banning's member on the county planning commission, had opened the meeting.

FOR GUAYULE PROGRAM

Fred McCargor, secretary of the Salinas Chamber of Commerce, was introduced and spoke briefly on the advantages of continuing the guayule program in post-war years as a regular farm crop, not as a government experiment. Continuance of the program is threatened, McCargor warned, by the attitude of congressional appropriations committees, and expressions of protest should be sent to members of this committee, including Congressman Harry Sheppard of the twenty-second district, he suggested.

Main speaker of the program was Major C. A. Osler, representative of the state planning commission, who explained the portfolio prepared by the commission to aid planning groups of cities and counties. The plan outlined is the result of over a year's study by experts in planning, and lists questions which must be considered in coordinating the work of planning commissions. Mapping the territory under consideration is vital, Major Osler stated, and a comprehensive picture of the population, employment possibilities, climate, natural resources, utilities, transportation, housing and other factors must be gained before plans can be made, he declared. Copies of this portfolio will be sent all communities interested, Major Osler promised, after Chairman Seymour had suggested such a move.

PUBLIC WORKS SITES

A fund of fifty million dollars, which has been allocated by the state planning commission to assist cities and communities, includes separate allotments for the making of plans and acquisition of sites for public works, Major Osler explained. Banning's allotment from this fund is \$3,898 for plans and \$1,707 for acquisition of sites. Beaumont would receive a total of \$3,195 for the two purposes. In all cases, the city or community must match this state gift with an equal amount, and all preliminary plans must be approved by the state commission before the funds are available, it was explained.

WILL BE BREAD BASKET

Mr. Marshall, in his talk, painted an optimistic picture of future growth of desert areas near Palm Springs, especially in Coachella and Palo Verde Valleys, which he predicted would be the future "bread-baskets" of the Los Angeles metropolitan area. He urged county zoning ordinances to prevent a "county of shacks," and stringent sanitation and subdivision regulation in Riverside county.

Secretary Harry Harper pledged the assistance of his organization to cities and unincorporated areas of the county in plan-making, and added a note of warning that the task confronting the people of the county is serious and prompt action must be taken to provide living facilities and employment for the greatly increased population.

Global Gab Celebrates First Anniversary Of Organization as Independent Unit March 1; Large Throngs Attend Sessions

The first anniversary of Global Gab, weekly discussion group for Villagers and military personnel located here, was noted on March 1, one year after organizing as an independent unit.

Beginning with sessions at the USO, the Gab gathering gained in popularity and Palm Springs folks began to take a hand. On March 1, 1944, the group left its original sponsor, the USO, and began holding its own meetings. A total of 53 meetings were held during the past year, the discussion body continuing through the summer. Now in its second year, the group is going in high gear and a record-breaking attendance of 40 were present at the recent meeting on the subject of "Labor and the War." Each week at least 30 persons are present, representing the 21st Ferrying Group of ATC, Torney General Hospital, and local citizens.

VILLAGE HOSPITABLE

The Village has proved hospitable to the group. When the USO closed down, the Coffmans generously offered the Fiesta House in the grounds of the Desert Inn, and the group met there for its first three months of independent life. Then when the hotel closed for the summer, Walter Kofeldt offered the quarters it has occupied ever since, the offices of the Chamber of Commerce at 310 N. Palm Canyon Drive.

During the year the group gradually changed in character. It started primarily as forum for G. I.'s, but more and more it developed into a sort of weekly town meeting where local residents, civilian as well as military,

Reports Made at Busy Meeting of City Coordinators

Reports on civic affairs marked the meeting of Mayor E. E. Theriau's Coordinating Council at the Desert Inn.

Present were Mayor Theriau, Ray Sorum, Florian Boyd, William Dean, William Veith, Col. A. B. Jones, Lloyd Simon, Katherine Finchey, Charles J. Burket, Major Thomas J. Johnson, Dr. E. E. Oertel, Mrs. William Lippman, Dr. Henry S. Reid and Walter Kofeldt, secretary of the Chamber of Commerce.

Reports on the Community Hospital drive were made by Mr. Boyd while Mr. Veith spoke on the Indian situation with reference to the suit over land holdings which, he said, would probably be decided within a month.

SITUATION GOOD

Dr. Oertel reported that the juvenile delinquency situation seemed to be well in hand and that steps were being taken to eliminate the traffic hazard occasioned by the use by students of cut-down, pepped-up cars. He also reported on what he termed discrimination against the high school by a creamery concern which refused to deliver ice cream to the high school.

Col. Jones said that a meeting of Post Commanders of Southern California would be held at Torney General Hospital March 12, and that a tennis tournament was to be one of the features.

REPORTS ON SCOUTS

Dr. Reid gave a report on Boy Scout activities and Miss Finchey said that the housing situation for teachers next fall seemed to have been solved. Mrs. Lippman reported on the recent conference of the Southern Federation of Women's clubs here, saying 237 women were present and she thanked the Rotary club for giving up their day at the Desert Inn to make room for the meeting.

Major Johnson called attention to tomorrow's basketball game at the base and extended an invitation for all to attend.

got together to discuss current events. Most of the meetings followed newspaper headlines pretty closely, but recently there has been a trend to take up more general subjects as well. The week after next, for instance, the topic will be "Psychiatry as a form of healing."

The other subjects chosen for March give a fair idea of the group's subjects. One favorite for instance, has been subjects related to the soldier, and next Tuesday (March 6) Pvt. Vito Gennaro will introduce the subject "Should there be Post-War Military Conscription?" Another favorite has been foreign relations, and on March 20, the topic will be "Should the U. S. employ sanctions against Argentina." The home front has also received its share of attention and on March 27, Mrs. Eva Menard will discuss "Should Labor be Conscribed in War Time?"

DISCUSSIONS INFORMAL

The discussions are informal and almost invariably lively. Admission is free and later refreshments are served. Miss Thyra Cohen has been the mainstay of the refreshments. Until quite recently she prepared both the coffee and the edibles. But now she only makes the coffee. The cookies or sandwiches are provided by different volunteers each week. Funds for these refreshments have been provided by the USO.

Another continuing USO link has been the occasional presence of Mrs. Eloise Hirt, the founder of the group. And, fittingly enough, she was present last Tuesday at the final meeting of the first year of independence.

The chairman of the group when it started meeting at the Fiesta House was Sgt. Freeman Holmer of Torney. Cpl. Ross Parmenter of the Air Base was the chairman during July, August and September. Sgt. Holmer returned to the chairmanship in October.

In November the group had its first civilian chairman, Miss Edith Shumaker, librarian at the air field. In December it had its first officer chairman, Lt. Frederick Moore. The chairman for the first two months of this year have been Sgt. Maurice Abrams and Mrs. Menard.

Mrs. C. V. Knupp Installed Head Of Auxiliary Unit

At the meeting of Owen Coffman Unit No. 519, American Legion Auxiliary, held Wednesday evening of last week, Mrs. Charles V. Knupp was installed as Unit president, Mrs. Art Wills, first vice-president, and Miss Inah M. Peterson as historian. The installation ceremony was conducted by Mrs. Harold N. Lienau, past-president of the 25th district, Department of California. Mrs. Jay Morrison was the installing sergeant-at-arms.

Charles St. George, adjutant of Owen Coffman Post, was a guest speaker, explaining to the group of women the Legion's tentative plans for a War Memorial in Palm Springs. In his talk pertaining to other matters of interest to veterans, he stressed the importance of relative members of veterans knowing at all times the whereabouts of service records and discharge papers of any member of their family in case of an emergency which would necessitate hospitalization of the veteran. Such records are required by a Veterans Administration Hospital, and the lack of same delays entrance into the hospitals.

APPOINTS CHAIRMEN

During the business session of the Unit, Mrs. Knupp appointed the following committee chair-

County Flood Act To be Redrawn as Result Protects

The assembly bill, creating a county flood control and conservation district, will be redrawn to meet objections and suggestions presented at a hearing Tuesday at the board of supervisors rooms at Riverside, Irwin Farrar, chairman of the county-wide flood control committee, said.

Culver Nichols of Palm Springs is a member of the committee and was present at Tuesday's meeting.

PLAN MORE MEETINGS

Other public meetings are planned to get a county-wide expression of opinion on the proposed flood control plan.

Following presentation of objections from districts which did not want to be included, Assemblyman Philip L. Boyd who introduced the bill in the state lower house, said that critics of the measure should not lose sight of the main purpose of the legislation—to provide efficient flood control methods for the entire county.

MUST ACT SOON

Urgent problems of flood control and water conservation must be attacked and solved soon, Assemblyman Boyd declared, and to put the county in the strongest possible position to meet those problems, a district should be formed. He introduced the bill in the assembly, the legislator stated, because he believed it had responsible sponsorship.

Assemblyman Boyd paid high tribute to the work of the advisory committee, calling attention to the fact that its members have worked long months—since June of 1944—on the problem of providing adequate flood control. It was evident from the protests and suggestions, Boyd said, that revision of the bill is needed. He expressed the hope that the entire county eventually will come into the district.

DILWORTH SPEAKS

State Senator Nelson S. Dilworth told the meeting that he shared Assemblyman Boyd's responsibility for introducing the bill covering formation of the district, and that his fellow legislator had well stated his attitude.

Senator Dilworth said he hopes for substantial agreement of all those interested in formation of the proposed district, and that hasty action should not be taken. He said he appreciated the interest of those attending the meeting, and lauded the work of the advisory committee.

FROM CATHEDRAL CITY

Among the speakers at Tuesday's meeting was W. R. Hillery of Cathedral City who said that at present the community he represented favored some sort of flood control measure but that the attitude of its citizens might change.

R. H. McDonald represented property owners of the Desert Hot Springs and Garnet areas and told the committee that residents of that area do not wish to be included in the proposed district but preferred to handle their flood problems in their own way.

Red Cross Director Goes to New Post

Truman Curtis, American Red Cross field director for the 21st Ferrying Group and this territory, is leaving Palm Springs to assume new duties at the Las Vegas Flexible Gunnery School at Las Vegas, Nev.

Mrs. Harry S. Whitney of Providence, Rhode Island, arrived in the Village last Saturday to spend the remainder of the season with her parents, Mr. and Mrs. John S. Jenkins.

men: membership, Mrs. Art Wills; child welfare, Mrs. Joseph Omlin; rehabilitation, Miss Inah M. Peterson; legislative, Mrs. Henry Menard; poppy, Mrs. Jay Morrison; social, Mrs. Stuart D. Allen. Many of the twenty-three charter members of the local organization were present to sign the charter roll which was received the past week from the National American Legion Auxiliary, along with the Unit Charter.

MEET MARCH 7

Mrs. Charles St. George, chairman of the afghan raffle, announced that the presentation of the hand-made afghan will be held between shows at the Plaza Theater, March 31. Proceeds from the sale will be used to finance the various welfare programs of the Auxiliary.

At the next meeting, Wednesday evening, March 7, at the Fiesta House, Desert Inn grounds, initiation of new members will be held.

Major Chester Osler of New State Reconstruction, Employment Board, Addresses Local Post War Committee

Members of the post war committee of the Chamber of Commerce met Friday afternoon to hear Major Chester A. Osler, assistant to Col. Alexander R. Harron, head of the state reconstruction and employment commission, appointed by Gov. Earl Warren.

Major Osler went over a very exhaustive kit developed by the commission for the purpose of assisting communities in comprehensively lining up their post-war programs.

CITIES MUST AID

Among other things, the Major said that an income of approximately \$20,000,000.00 a month was being added to the funds of the state, that \$280,000,000.00 had been earmarked, and that in addition, some \$600,000,000.00 was in the unemployment fund, but that that amount would be merely a drop in the bucket if municipalities and private enterprise did not immediately proceed to plan for post-war construction in order to take care of unemployment.

After going over the entire kit, a discussion was held and Major Osler was well pleased with the progress already made by the various committees of the chamber of commerce and Palm Springs with reference to post-war plans.

LISTS LOCAL PLANS

Walter Kofeldt, executive secretary of the chamber of commerce, submitted the following points with reference to post-war plans:

Mount San Jacinto Aerial Tramway; Airport—the finest in the southwest, now being used by Army, reverts to city; Highways and Free Ways; Flood Control; Private business construction; Private home construction; Beautification of main street; Civic construction—city hall auditorium—fire house; Parks; Recreational facilities—including improvement of Field Club recently purchased by the city—public swimming pool; Mountain trails for equestrians; Zoning, and Indian lands.

FUND SET UP

It was reported that a bill had been passed by the legislature for the appropriation of \$10,000,000.00 for blueprints and site acquisitions—this appropriation to the various municipalities and counties, to be matched by them. Palm Springs has been allocated \$3,455.00 for plans, and \$1,514.00 for acquisition, a total of \$4,969.00. This total amount must be matched by the city, if this sum is desired.

Major Osler added that he would be glad to send the entire kit or any portion thereof to the chamber of commerce, and it was

Graduates are Mmes. Edward Baker, Frank Bull, Charles Cotton, Harry Dart, Karl Didrickson, Harry Fobich, W. W. Gartrell, Melvin Kemp, Bernard Kuhn, Paul Lucas, Louis Olshansky, Jo Ann Page, William Rogers, William Roberts, Dave Tansel, and Misses Kay Ross, Dorothy Huebl and Janet Johnson.

H. Victor Law Exhibit to be Staged at Inn

An exhibition of water colors, by H. Victor Law will be shown at the Desert Inn, March 7 and 8, afternoon and evening. Many of the pictures are impressions of the desert and several are of Palm Springs.

Mr. Law has had several one-man shows in New York and his pictures have been exhibited in Pacific Coast Museums, Chicago and large Canadian cities.

The New York Times wrote of one exhibition: "Mr. Law is at his best in such water colors as the 'Sand Dunes.' He has a real feeling for the depiction of wasteland made beautiful through the profuse desert flowers; and for grim scenes such as 'Arcadia Canyon' and 'Desert Butte.' It is simple, unpretentious, effective work."

Story of Hospital At Norco Told to Masons by Officer

Lt. Comdr. R. A. Burhams of the Norco Naval hospital was the speaker when the Masonic club met Tuesday at the Desert Inn in monthly session. He was introduced by Major J. R. Hamilton of the 21st Ferrying Group, army air base, here.

TELLS OF START

The Norco hospital, he said, was established at the beginning of the war when it was thought that the Japanese might possibly attempt to shell the Pacific coast. Parts of wings, planned for Long Beach, were moved to Norco, far enough from the coast to be out of possible danger.

The Navy, he said, was fortunate enough at the start of the war, to have many medical men on its reserve list, and the Norco hospital was manned with an experienced staff from the start. It is specializing in physical therapy designed to fit men discharged from the Navy, for civilian life.

MORGAN IS NEXT

President Lloyd Simon presided and announced that Geoffrey Morgan, outstanding speaker and a member of the public relations staff for Douglas Aircraft, would be the speaker at the March 27 meeting.

Ralph Ware of Al Malaikah temple, was among the 95 present at the luncheon and reported on distribution of the Shrine welfare fund. He said that \$2,000 worth of wood-working tools had been purchased for Torney Hospital patients and would be here soon. He said that the Shrine welfare fund was derived from the annual Shrine circus and the East-West football game. The circus put \$30,000 in the fund and the football games added \$13,000 more.

TO AID HOSPITAL

Earl J. Smith, hospital consultant, who is in the Village to aid the campaign for the Palm Springs Community Hospital, addressed the Masons on the need for the hospital and said that of the \$200,000 fund sought, \$150,000 was for construction of the hospital and equipment and \$50,000 for maintenance until the institution became self-supporting. The Masons present declared that the \$5,000 quota allotted the club, would be met and surpassed.

James H. Gordon of Riverside, a member of Al Malaikah Shrine, told Shriners present that meetings of the shrine were held monthly in Riverside and San Bernardino and invited them and Masons who planned to become members of the Shrine to attend these meetings. He said that the annual Shrine ceremonial would be held in Big Bear Valley for four days in September.

President Simon reported that there was now \$6,080 in the fund to build a Masonic Temple on land now owned by local Masons on North Palm Canyon drive.

Village DeMolay Chapter to Stage Dance on March 18

Palm Springs chapter, Order of the De Molay, met Wednesday evening in their first regular meeting since installation, to discuss routine business and map plans for the remainder of the season.

Master Councilor John Outcault presided and all officers were present. It was decided to stage a dance at the Palm Springs hotel March 18 for members.

Palm Springs Masonic club and guests, meeting Tuesday noon, appropriated a tidy sum for the order to meet initial expenses.

Information regarding the Order and petitions for membership may be obtained from any of the officers of the chapter or members of the advisory council.

MUSEUM NOTES

By T. D. A. Cockerell

The Palm Springs Desert Museum, around the corner, in the east wing of the Library building, is open daily, including Sundays and holidays, from 10 A. M. to 5 P. M. There are lectures on Wednesday and Saturday evenings at the Museum. The Museum is open on those evenings from 7 to 9:30. The program, with motion pictures, begins at 7:30.

Among the many interesting programs given, the one having for its subject, "Plants that Can be Cultivated in the Desert" was especially enjoyed. We repeat this program on Saturday evening, March 3. Instead of the short motion picture on "Date Culture," shown in the Museum daily, a longer picture, loaned by Mr. Edwin F. Leigh of Smoke Tree Ranch, will be shown. There will also be shown motion pictures of "Roses," and one on "Plant Immigrants." Prof. Cockerell will give the lecture.

TO TALK ON CANYONS

On Wednesday evening, March 7, Winfield H. Line will give a lecture on "The Canyons near Palm Springs." Mr. Line has explored all of these canyons, and has taken parties on field trips from the Museum to several of them. The lecture will be illustrated with colored pictures that Mr. Line has taken.

On Monday afternoon two of the leading ornithologists (students of birds), visited the Museum. They are Professors Loye Miller and Van Rossem of the University of California at Los Angeles. Some years ago Loye Miller and Prof. Cockerell went together to San Nicolas Island, far out in the Pacific. Dr. Miller is a great authority on fossil birds, and has described those found at the Rancho la Brea in Los Angeles.

FROM FAR PLACES

Mr. Van Rossem has studied and described many California birds. He promises to return to the Museum soon to tell of some of his interesting experiences.

One of the most interesting things about the Museum is that it is visited by people from different parts of the world. One day we have a soldier who has been three years in the Aleutian Islands. He tells us about the flowers of that inhospitable land. Another day we hear about the Pribilofs, where Uncle Sam has

3 From Village at Important Rally Of Scout Council

Chief of Police Lyle J. Sanard, Harold Lienau and Edwin Stephens of Palm Springs attended a meeting of the Riverside County and Redlands Council, Boy Scouts of America, executive board meeting at Riverside last week at which time reports of Boy Scout activity in the area were given.

The Council, it was reported, had 1375 boys registered on Jan. 1, 1944, and 1843 on Dec. 31, 1944, a gain of almost 500 in the year. The present registration is almost double that of Jan. 1, 1939.

Future events which affect the Palm Springs district were announced by Scoutmaster Lyle J. Sanard of the local troop and Paul Summers, district chairman, as follows.

March 14, district committee meeting.

March 16, Court of Honor.

Chief Sanard was named a member of the 1945 sub-committee of the Council's executive board and authorized to handle interim business between board meetings.

RESIDENTS OF PALM SPRINGS:

Preliminary invitation to join in proposed Helicopter Service Company, operating from Palm Springs to San Jacinto Mountain, or other selected places.

I, Gene Nifford, herewith propose to form a co-operative company for the reason stated above.

I have instructed the attorney office of Jerry Giesler of Los Angeles, Calif., to apply for license from the Civil Board of Aviation, Washington, D. C., and the United States Government for proposed landing strip.

If we get the necessary papers, which we believe we will, we shall then at once lay foundation for this company.

I believe that this service is MODERN, PRACTICABLE, and EARTHQUAKE PROOF and will be of GREAT BENEFIT and VALUE to the CITY OF PALM SPRINGS.

The cost of this operation and equipment is, as anyone can understand, a mere bagatelle in comparison with other transportation operations. Also, operational time, in this case, would be saved, as transportation can start almost immediately.

This service shall be known as "NIFFORD'S HELICOPTER SERVICE COMPANY".

I also propose that any equipment, like building of take-off place, landing strips, office building or any other necessary buildings shall, as far as possible, be handled by contractors and labor from Palm Springs.

In proper time I shall ask for an appointment with the Council of Palm Springs and give a more specific and detailed plan of this project.

I herewith invite all residents of Palm Springs to write me at Box 786, Palm Springs, Calif., so I can get your name on the list. Later, I shall announce a meeting where the whole plan shall be discussed for your approval.

This service will enable the resident-subscriber of Palm Springs to get a reduced rate and other conveniences.

In event that you, the residents of Palm Springs, should not, in sufficient numbers, take advantage of this proposed plan, I reserve the right to form a purely private enterprise with outside friends.

Very sincerely,

GENE (Orange Julius) NIFFORD.

Mr. and Mrs. O. P. Schumann of Grayline, Mich., are guests in Palm Springs of Mr. Schumann's brother and sister-in-law, Mr. and Mrs. F. A. Schumann of 146 Morongo road.

Mr. O. P. Schumann recently retired after having been in the publishing business for 33 years.

Mr. F. A. Schumann, a retired automotive engineer, came here with Mrs. Schumann last September to stay until June.

Mrs. Louis Kuyper and family left Palm Springs this week for their home in Pella, Iowa, after spending six months in the Village.

**Jose Iturbi to
Present Concert
At Plaza, Mar. 16**

Jose Iturbe, famous concert pianist, will make a personal appearance at the Plaza Theater on the night of March 16 and indications are that a jam-packed enthusiastic house will greet him.

Iturbe now lives in Beverly Hills where he says the climate reminds him of his native Spain and where the fig and orange trees in his garden bring back the taste and aroma of the city of Valencia where he was born.

STARTED YOUNG

As a little boy of seven, Jose Iturbe knew the growing pains of public life. He taught pupils twice his size and age, played in cafes and picture houses and managed to support himself and help his family until the people of Valencia made up a purse to send the wonder boy to Paris for further study.

He was graduated from the Paris Conservatory at seventeen with first honors. Four years as head of the piano faculty of the Conservatory of Geneva followed.

Trailing clouds of European glory, the Spanish pianist arrived in the United States for the first time in October, 1929. In that first season he made his name a household word in musical America, a verdict the country has confirmed ever since.

TALENTED COMPOSER

Iturbe is also a talented composer. His "Soliloquy" has been played by both the Cincinnati and New York Philharmonic-Symphony orchestras and he himself often includes piano music of his own on his recital programs.

Chalking up a new experience is the expected in the fabulous Iturbe career and last year the famous pianist-conductor was starred in a new field—the motion picture. In MGM's "As Thousands Cheer", he played the role of himself—Jose Iturbe. His musical offerings ranged from the classics to boogie-woogie and by now, to his enormous concert and radio public, millions of film fans are added. His latest picture, again portrays himself in MGM's

**Popular Singer
Opens Tonight
At Rendezvous**

Louis Beck of the Rendezvous said today that patrons of his popular cafe were in for a treat when they hear Winnie Scott, new entertainer who closed her engagement at Slapsie Maxie's on Wilshire in Los Angeles last night and will open tonight at the cafe here.

Miss Scott comes here after a long line of successful engagements and as a vocalist and pianist, has delighted thousands. She was on 52nd street, New York, for two years and 52nd street is the home of talent. After New York, she was in Philadelphia for eight months and then came west to the Trocadero on Sunset strip where she sang successfully before going to Slapsie Maxie's.

**Five More Blue
Stamps Now Good**

Five new blue stamps in Book 4, for processed foods became valid yesterday and five new red stamps become valid Sunday. Both sets of stamps are good until June 30.

Blue stamps now good range from X5 to Z5 and from A2 to S2. Red stamps Q5 to Z5 and A2 to D2 are good today and next week Q5 to Z5 and A2 to J2 will be valid.
